THINGS YOU SHOULD KNOW

Dylan Cozens has registered at least one point in five consecutive games (2+4) and a point in tonight's game would give him the longest point streak of his career.

With an assist in tonight's game, Cozens would match his previous career long assist streak (three games).

Rasmus Dahlin is riding a six-game point streak and a point in tonight's game would give him a seven-game point streak for the first time in his career.

If he records a point in tonight's contest, Dahlin would become the first Sabres defenseman since Phil Housley from March 3 to April 1, 1990 (14 games, 4+15) to record a point streak of seven or more games.

With an assist in tonight's game, Dahlin would extend the longest assist streak of his career to seven games and become the first Sabres defenseman since Housley (eight games, March 3 to 18, 1990) to record an assist in at least seven consecutive games.

Jeff Skinner has recorded at least one goal in three consecutive games and a goal in tonight's game would give him a goal in four straight games for the first time since he tallied at least one goal in four straight games from Dec. 9 to 29, 2022.

Skinner has recorded five four-game goal streaks in his career.

A point in tonight's game would give Skinner his first point streak of four or more games since he notched at least one point in seven consecutive games from Feb. 15 to 28, 2023 (5+5).

Tage Thompson recorded two goals on Oct. 24 at Ottawa and a goal in tonight's game would mark the 20th time in his career that he has scored goals in two or more consecutive games.

Thompson did so nine times in 2022-23, including a career high four-game goal streak from Dec. 13 to Dec. 19, 2022.
