 - A point of any kind tonight would extend **Harley's** point streak to three games for the second time this season (previously: Oct. 22 to 26).
- When **Harley** had been on the ice during even-strength play this season, the Stars have outscored their opponents 64-35. His plus-29 goal differential is tied for the third-best mark among all NHL skaters this year and his 64 goals for are tied for ninth.
