MINNESOTA WILD ★★ STATE OF HOCKEY

RAY SHERO

1962 - 2025

Ray Shero, a native of Saint Paul, MN, passed away April 9, 2025 at the age of 62. He is greatly missed by all of us.

Shero spent 13 seasons as an NHL general manager, including a Stanley Cup championship season with the Pittsburgh Penguins in 2008-09. He also served as GM of the New Jersey Devils, in addition to long stints as an executive with the Ottawa Senators, Nashville Predators and Minnesota Wild. On September 19, 2025, the National Hockey League announced that Shero as the recipient of the 2025 Lester Patrick Trophy for outstanding service to hockey in the United States.

"Ray Shero's legacy as an NHL executive is immortalized by the engraving of his name on the Stanley Cup and the success of the Players he scouted, drafted and traded for in Pittsburgh, New Jersey, Ottawa, Nashville and Minnesota," NHL Commissioner Gary Bettman said. "His contributions to growing the game in the United States are similarly noteworthy and extensive – from captaining his team at St. Lawrence University to helping assemble 13 U.S. World Championships teams to serving as an associate general manager for the 2014 U.S. Olympic Team. However, his true legacy will be as a man who embodied the best of our game: fierce competition on the ice and welcoming fellowship off the ice. Widely respected throughout hockey for his team-building acumen and eye for talent, he was even more beloved for how he treated everyone fortunate enough to have known him."

After a four-year playing career at St. Lawrence University, Shero worked as a player agent for seven years before becoming Assistant General Manager of the Senators in 1993. He spent five seasons in that position, before moving on to the same role with the Predators in 1998. After helping to guide the Predators through their first eight years of their existence, Shero was hired as Executive Vice President and General Manager of the Penguins in 2006.

Shero helped build the Penguins squad that went to consecutive Stanley Cup Finals in 2008 and 2009 and emerged victorious over the Detroit Red Wings in the second of those two trips to capture the franchise's third Stanley Cup. His eight-year tenure in Pittsburgh also included recognition by the NHL as the 2012-13 winner of the Jim Gregory General Manager of the Year Award, after a season in which the Penguins finished with the Eastern Conference's best record and registered a franchise-record .750 points percentage (36-12-0 in 48 GP).

Following his time with the Penguins, Shero became Executive Vice President and General Manager of the Devils May 4, 2015. Among his contributions during nearly five full seasons in that role were overseeing the selections of franchise cornerstones Jack Hughes (in the 2019 NHL Draft) and Nico Hischier (in the 2017 NHL Draft), as well as the acquisition in 2016 of Taylor Hall, who would go on to post an MVP season for the Devils in 2017-18.

Shero's last NHL role commenced in June of 2021, when he joined the Wild as Senior Advisor to the General Manager, a position which he still held at the time of his passing.

In addition to his NHL accomplishments, Shero was an important contributor to USA Hockey's men's national team efforts during his career, including helping found the U.S. Men's National Team Advisory Group in 2007. He served as associate general manager of the 2014 U.S. Olympic Men's Ice Hockey Team and was also involved in selecting 13 different U.S. Men's National Teams for the IIHF Men's World Championship.

Our Minnesota Wild game uniforms have evolved over the course of 25 NHL seasons, but the key elements of the Wild brand identity have remained consistent. The crest of the jersey, one of the most unique and striking marks in all of professional sports, is a Minnesota wilderness pictogram including elements depicting a wild animal, the north star, evergreen trees, a red sky, a sun/moon, a loon, and a stream. The logo was revealed on Nov. 18, 1999 at the Roseville Skating Center as a part of a ceremony celebrating the inaugural season Wild jersey.

The current home and road Wild jerseys both feature this primary logo as the crest. The Wild home jersey uses the Forest Green base color, with a distinctive horizontal chest stripe in Wild Wheat. The shoulder patch “M” takes its design from the Wild script wordmark that had been featured on a unique alternate jersey design worn from 2009 to 2017. Home uniforms also feature a Wild Wheat and Iron Range Red combination striping on the sleeves and socks. Road uniforms mimic the home striping design, but with Forest Green stripes on the crisp white base. Rather than the “M” shoulder patch of the home jersey, the road jersey features an alternate Wild mark featuring a circular design and the words “Minnesota Wild” encircling the primary logo. This circular mark first appeared on Wild uniforms as the crest on the red alternate jersey (which later became the primary home jersey), introduced in 2003.

The Wild alternate uniform, dubbed “The 78’s” in honor of our predecessor Minnesota NHL franchise, the North Stars, was introduced in 2023. These throwbacks celebrate the design and colors of the North Stars’ late-1970’s uniforms. These uniforms introduce an entirely new colorway, with a Kelly Green base color and bright yellow striping. The 78’s are based on the adidas/NHL “Reverse Retro” Wild uniforms from the 2020-2021 and 2022-2023 seasons. Additional details have been added that were not a part of the Reverse Retro version, including a shoulder patch featuring the “State of Hockey” logo, as well as a distinctive treatment for the captain and alternate captains’ “C” and “A” on the upper left chest, which now are layered over a patch in the shape of our home state.

A Minnesota Wild Foundation initiative supporting community hockey

PRESENTED BY  **TRIA**

Introduced on Hockey Day Minnesota 2025, Skate It Forward is an ongoing philanthropic initiative of the Minnesota Wild and the Minnesota Wild Foundation dedicated to preserving, strengthening, and celebrating community hockey in Minnesota. Inspired by the “Pay It Forward” movement, Skate It Forward reinvests directly into community hockey in Minnesota. The core objective of Skate It Forward is to grow community hockey participation by making it easier for first-time players to get on the ice.

Community hockey is why Minnesota is the State of Hockey. This unique youth hockey model is the combination of local non-profit associations, high school programs, and municipally operated ice arenas. Community hockey helps to make the sport more accessible and affordable than anywhere else in the nation. Kids play locally with their classmates and neighbors. They play for their schools and communities. Games are played in community-owned arenas that have become the heartbeat of towns.

Minnesota currently leads the nation in the number of hockey players at every level from mite to professional. There are more than 250 publicly owned indoor arenas and countless outdoor rinks providing affordable, accessible ice throughout the State of Hockey from Hallock to La Crescent and Luverne to Silver Bay.

Skate It Forward is specifically partnering with 11 nonprofit community hockey associations for the 2025–26 pilot season: Anoka, Delano, Willmar, Waseca, Winona, Mounds View Irondale, Osseo-Maple Grove, St. Paul Capitals, Langford Park, Bloomington Jefferson, and Minnesota Sled Hockey.

Hockey is hard enough, getting on the ice should be easy.

WILD IN THE COMMUNITY

The Minnesota Wild is proud to support hundreds of nonprofit organizations and other worthy causes each year from throughout the State of Hockey and beyond, with an emphasis on organizations that serve underprivileged children and families, educational initiatives, children's medical causes, military, youth hockey, environmental, animal rescue, and diversity and inclusion. During the 2024-2025 season, the Minnesota Wild was happy to donate autographed memorabilia, merchandise and suites to various groups that met our giving criteria. Additionally, Wild season ticket members donated hundreds of tickets to nonprofit groups via the Wild Ticket Assist Program.

TEAM MANAGEMENT

CRAIG LEIPOLD **OWNER & GOVERNOR**

Craig Leipold is the majority owner and principal investor in Minnesota Sports & Entertainment (MSE), a regional sports and entertainment leader that includes the National Hockey League's Minnesota Wild, the Iowa Wild of the American Hockey League, 317 on Rice Park and the facility management of Grand Casino Arena, TRIA Rink at Treasure Island Center, Saint Paul RiverCentre and the Legendary Roy Wilkins Auditorium. He oversees the day-to-day business operations of the organization and serves as the team's Governor at NHL Board of Governors' meetings. The NHL's Board of Governors officially approved Leipold's purchase of MSE on April 10, 2008.

Under Leipold's ownership, the Wild is dedicated to building a Stanley Cup contending franchise, playing an important role in the community through service initiatives, providing a fun and entertaining game-night experience and building strong relationships with its fans and corporate partners.

Leipold has advocated for the State of Hockey to host premiere NHL events, including the 2022 NHL Winter Classic at Target Field, 2016 Coors Light Stadium Series at TCF Bank Stadium and the 2011 NHL Draft at Grand Casino Arena.

A resident of Racine, Wis., Leipold completed the sale of the Nashville Predators to a local ownership group on Dec. 7, 2007, a team he owned since the expansion franchise was awarded to Nashville in 1997.

During his time as an NHL owner, Leipold has been a tireless advocate for the professional hockey industry. Appointed by NHL Commissioner Gary Bettman, Leipold serves on both the League's Executive Committee and Audit Committee. He was a member of the League Negotiating Committees that negotiated the Collective Bargaining Agreements with the NHL Players' Association in 2005 and 2013. He is also a strong advocate for the new, more "fan-friendly" NHL, including the rule changes to promote a more entertaining competition and increased fan access to the product.

Craig and his wife Helen (Chairman and Chief Executive Officer of Johnson Outdoors, Inc., and Chairman of Johnson Financial Bank Corp.) have five sons (Chris, Kyle, Connor, Curtis and Bradford) and own five dogs. While in St. Paul, the Leipold's live in their apartment in the historic Saint Paul Hotel.

Currently in his 29th year with the organization, Matt Majka (pronounced MAY-kuh) is in his third year as Chief Executive Officer and Alternate Governor of Minnesota Sports and Entertainment (MSE) after being promoted to the position on July 25, 2023. Majka has previously held the positions of President and Alternate Governor, Chief Operating Officer, Executive Vice President, Senior Vice President of Business Operations and Vice President of Marketing and Corporate Sponsorships.

During his tenure with the Wild, Majka has been instrumental in fostering the unique relationship between the hockey club and its fan base. The team's continued dedication to the fans of the "State of Hockey" is reflected in ESPN The Magazine's Ultimate Standings as the Wild was named the "Best Stadium Experience" in the National Hockey League from 2007-10. Minnesota ranked first in the NHL and sixth overall for "Stadium Experience" in the field of all 122 major league sports franchises in 2012.

Majka joined the Minnesota Wild in October of 1997 from Rollerblade, Inc., where he started work in 1984. Beginning as a Sales Representative for the fledgling company, he held positions of increasing responsibility through his 13-year tenure. During his tenure, the privately held company grew revenues from \$1 million to more than \$200 million annually.

The Detroit, Mich., native has lived in the Twin Cities for more than 50 years and is a 1984 speech communications graduate of the University of Minnesota. SERIES NOTES

Minnesota advanced to the Stanley Cup Playoffs for the 14th time in franchise history and met the Vegas Golden Knights in the postseason for the second time in franchise history. The Vegas Golden Knights and Minnesota Wild traded wins through the first four contests, a trend highlighted throughout the Western Conference as all four opening-round series were deadlocked 2-2 through four games. Kirill Kaprizov and Matt Boldy combined for 8-5—13 through the first three contests and became the first teammates in 25 years to each begin the postseason with three straight multi-point games—last achieved by Jaromir Jagr and Jan Hrdina with the 2000 Pittsburgh Penguins. Vegas kickstarted its rally from a 2-1 series deficit by claiming back-to-back overtime wins despite third period tying goals by the Wild in Games 4 and 5. With their Game 5 victory, the Golden Knights (60 in 100 GP) became the third franchise in NHL history with at least 60 wins through their first 100 all-time postseason games, following the Edmonton Oilers (69) and New York Islanders (65). Jack Eichel and Mark Stone then tallied 1-1—2 apiece in Game 6 to give Vegas its 12th best-of-seven series win, which tied the Oilers (12 from 1980-87) for the most by an NHL franchise within its first eight seasons. The series included significant debuts and farewells: 19-year-old defenseman Zeev Buium, the No. 12 pick in the 2024 NHL Draft, became the first player in Wild history to make his League debut in the Stanley Cup Playoffs, while 40-year-old goaltender Marc-Andre Fleury played the last 24:05 of Game 5 in what turned out to be the final game of his NHL career. Fleury, who had previously announced that the 2024-25 season would be his last in the NHL, became the first goaltender in NHL history to appear in at least 18 different postseasons— and made his final NHL appearance in a building he called home for four campaigns as a member of the inaugural Golden Knights' roster (2017-18 to 2020-21).

SERIES NOTES

Minnesota advanced to the Stanley Cup Playoffs for the 13th time in franchise history and met the Dallas Stars in the postseason for the second time in franchise history. The Wild opened the series at American Airlines Center for Game 1 in what would be the longest postseason game in franchise history. Wild goaltender Filip Gustavsson set a franchise postseason record with 52 saves, out dueling Dallas netminder Jake Oettinger, who made 45 saves. Ryan Hartman gave the Wild a 3-2 victory with a goal 12:20 into the second overtime, ending a game that began on Monday evening and stretched into early Tuesday morning. Dallas responded with a 7-3 victory in Game 2 to even the series, buoyed by a hat trick from Roope Hintz and two goals from Evgenii Dadonov. Returning to Saint Paul for Game 3, Minnesota raced to a 5-1 victory before a sellout crowd at Grand Casino Arena. Mats Zuccarello scored twice and Hartman added three points after missing Game 2 with injury. Dallas again countered with a series-evening victory in Game 4, claiming a 3-2 win thanks in part to two power-play goals from Tyler Seguin. The series returned to Dallas for Game 5, where the Stars controlled the ice for a 4-0 win and Oettinger earned his second career postseason shutout. Dallas would close out the series in Game 6, defeating the Wild by a 4-1 score in Saint Paul. The team that scored first won all six games of the series. Hartman (2-3=5), Zuccarello (2-3=5) and Gustav Nyquist (0-5=5) led Minnesota with five points each. Gustavsson went 2-3 with a 2.33 GAA and a .921 SV% in five starts, while Marc-Andre Fleury went 0-1 with a 5.48 GAA and a .811 SV% in two appearances (one start). Hintz led the Stars with 12 points (5-7=12). Jason Robertson ranked second with seven points (2-5=7). Miro Heiskanen (0-6=6) and Seguin (4-2=6) tied for third with six points each. Oettinger went 4-2 with a 2.01 GAA and a .929 SV% in six starts.

SERIES NOTES

After an unprecedented season, the Minnesota Wild advanced to the Stanley Cup Playoffs for its 10th time in franchise history. The NHL split the 24 teams into two bubbles without fans — Edmonton (West) and Toronto (East). The Wild faced off against Vancouver in the Qualifying Round to play in its first-ever, best-of-five playoff series. Minnesota took Game 1 with a 3-0 shutout victory. It marked the Wild's fifth postseason shutout victory in franchise history. Alex Stalock made his first career playoff start in a Wild sweater and earned his first career postseason win and shutout stopping all 28 shots faced. Jared Spurgeon tallied a postseason career-high three points (2-1=3) to set a franchise record for most points in a playoff game by a Wild defenseman. His two goal made him the franchise leader for most playoff goals by a Wild blueliner. Kevin Fiala netted the game-winning goal on the power-play in the first period. Minnesota fell in Game 2 of the series, 4-3. Kevin Fiala scored two goals in a span of 2:20 in the third period for his first career multi-goal playoff game. Luke Kunin netted his first career playoff goal shorthanded to become the seventh player in franchise history to record a postseason SHG and the 11th player to score his first career regular season and first playoff goal shorthanded. Zach Parise tallied two assists to surpass Mikko Koivu for first place in playoff assists in team history. Vancouver earned a 3-0 shutout win in Game 3 to take the series lead, 2-1. The Canucks were the first to break the 0-0 score as Brock Boeser potted the power-play, game-winning goal at 13:49 in the second period. Zach Parise skated in his 100th career Stanley Cup Playoff contest. Minnesota lost the series as Vancouver took Game 4 with a 5-4 overtime win. Kunin opened the game's scoring with his first career playoff power-play goal at 2:58 in the first period. The Wild held a 3-1 lead before the Canucks' Brandon Sutter and Quinn Hughes each netted goals in a span of 1:24 in the second period to tie the game. Nico Sturm made his playoff debut in Game 3 and scored his first career NHL goal in Game 4. He became the second player in Wild history to score his first NHL goal in the playoffs. Bo Horvat forced the overtime with his goal at 14:14 of the third period. Christopher Tanev netted the overtime winner just 11 seconds into the extra session. SERIES NOTES
 With a 5-4 overtime victory in Game 7, the Wild became the first team in NHL history to record four score-tying goals in a Game 7 (Elias Sports Bureau). Nino Niederreiter scored two goals, including the winner 5:02 into overtime, and added an assist in Game 7 – the fourth-youngest player to ever net a total three points in a Game 7. Zach Parise led the Wild with 10 points (3-7=10) against the Avalanche, a career high for points in a series. He set a playoff career high and a Wild playoff single-game record with four points (2-2=4) in Game 6. Parise also set a franchise record for fastest goal to start a playoff game, scoring 49 seconds into Game 6 and tallied the game winner. Before being held pointless in Game 7, he had a career-best six-game playoff point streak. Darcy Kuemper went 3-1 in five starts posting a 2.03 GAA and a .913 SV%. Ilya Bryzgalov went 1-2 in two starts with a 3.72 GAA and a 4.25 GAA. Bryzgalov earned the Game 7 win by stopping the only shot he faced (in overtime) in relief of Kuemper, who left the game with 8:13 left in regulation. Kuemper stopped all 22 shots in Game 3 to become the first Wild goalie to record a playoff shutout. SERIES NOTES

For the second straight series, the Minnesota Wild overcame a 3-games-to-1 deficit, this time defeating the Vancouver Canucks in a Second Round series, 4-3. The Wild became the first team in NHL history to come back from a 3-1 deficit twice in the same postseason and also became only the second club ever to win two Game 7's on the road in the same playoff year. The win also raised the team's record to 6-0 in its first six "elimination games." Minnesota outscored the Canucks 16-5 over the final three games of the series. Marian Gaborik led all scorers with five goals and 11 points (5-6=11) in seven games. Wes Walz tied for the team lead in goals with five and finished the seven-game series with nine points (5-4=9). Dwayne Roloson won Games 5, 6 and 7 and finished the series with a 4-1 record and only seven goals allowed in 130 shots faced. Minnesota battled back from a 2-0 second period hole to earn a 4-2 win over Vancouver in Game 7 at GM Place. Darby Hendrickson scored the game-winning goal with just under six minutes to play as the Wild earned its first-ever trip to the Western Conference Final. The two teams split the first two games of the series at GM Place with the Canucks winning Game 1, 4-3 in overtime, and the Wild capturing Game 2, 3-2. Vancouver seized control of the series with two road wins at Grand Casino Arena, including a 3-2 overtime victory in Game 4. Minnesota staved off elimination thanks to five second-period goals and a 7-2 road win in Game 5. The Wild scored five more goals in a 5-1 Game 6 victory at Grand Casino Arena. Gaborik posted his third consecutive multi-point game (0-2=2) and Andrew Brunette scored a pair of goals to set up another historic Game 7 showdown.

TEAM MEDIA

MEDIA POLICIES AND PROCEDURES

MEDIA RESOURCES

WILD.COM/PRESSBOX: The Minnesota Wild media website wild.com/pressbox provides access to team press releases, game notes, multi-media and game-day statistics, along with team publications and other media information. Media must use the site to request single-game credentials to Wild home games at Grand Casino Arena.

X: Follow @minwildPR on X to get the latest news and notes from the team, including practice times, player interviews and other valuable media information from the official Wild Public Relations X account.

MINNESOTA WILD WIRELESS INFORMATION:

Wireless access is available throughout TRIA Rink and Grand Casino Arena by connecting to the **WildMedia network**.

Please enter **WildMedia** for the password when instructed.

ACCESS: The Minnesota Wild organization and Communications department strive to make its players, coaches, management, and other personnel available in a timely and responsible fashion to all accredited members of the media.

SINGLE-GAME CREDENTIALS: Press seating at Wild home games at Grand Casino Arena for the 2025-26 regular season is available to accredited media in the Al Shaver Press Box located on the south side of the Grand Casino Arena's press level. **Single-game credentials must be requested by 2 p.m. the day before a game, and by 12 p.m. on Friday for any weekend game.** Requests should be made by clicking on the "Single Game Credential Requests" link at wild.com/pressbox.

Once approved, single-game credentials may be picked up beginning 2.5 hours before game time at the media entrance located inside Gate 1 of Grand Casino Arena. **Media should take the Skyway hallway elevator on the East side (right) down to level one (RiverCentre Lobby) and enter Grand Casino Arena through the Gate 1 East doors (adjacent to Grand Casino Arena Box Office).** An alternate option is to cross Kellogg Blvd. and enter through the RiverCentre Lobby. Media credentials are not transferable and may be revoked for noncompliance or for violation of the NHL Media Access Policy. The elevator to the press box is located in the southwest corner of Grand Casino Arena near Section 107. Due to limited press box seating, approved credential requests will be seated on an as-available basis. Those persons holding full-season Wild or NHL Team Management credentials **MUST** enter through Gate 1.

DAY-OF-GAME INTERVIEWS: After completion of the morning skate, which typically begins at approximately 10:30 a.m. (for a 7 p.m. start), is the best time to interview players and coaches on a game day. Following practice, the Wild typically makes Head Coach John Hynes available to media first followed by players. Requests to interview a player upon his arrival to Grand Casino Arena for the game will be accommodated upon the player's approval and should be requested at the morning skate. If the team is not practicing, the request should be made to the Wild, or visiting team public relations department, no later than 10 a.m. on the day of game. The Wild Communications department cannot guarantee access to players or coaches if no practice is scheduled. Interviews that need advance preparation or special accommodation by a Wild player or staff member, such as live television and radio interviews should be made by contacting the Wild Communications department no later than 10 a.m. on the day of the game.

LOCKER ROOMS: NHL locker rooms close 90 minutes before game time. Requests for interviews to take place before the locker rooms are closed will be accommodated only upon prior approval by both the player and coach. The rooms will re-open five minutes after the game and remain open for 30 minutes. The officials' locker room is off limits to the media. Should a comment or interpretation from the game's referee or NHL supervisor be needed, contact a member of the Wild Communications department and a pool reporter may be assigned.

LOCKER ROOM GUIDELINES: The NHL prohibits media from using cell phones in locker room areas, including taking calls, photos and other cellular activity including Tweeting. **Cell phones can only be used by media to record audio (not video).**

PHOTOGRAPHERS: Only those photographers on assignment will be allowed access to designated photography locations at rink level and in overhead positions. Grand Casino Arena workspaces are accessible to local dailies and wire service photographers. Two photography positions are reserved for Wild team photographers. Additional photography positions are determined on a first-come, first-served basis; however, in cases of increased photographer attendance, positions will be assigned by team photographer, Bruce Kluckhohn. In all cases, photographers should check in with Bruce Kluckhohn in the pressroom before the start of warm-ups. Because of very limited photography locations, it is not possible to accommodate freelance photographers.

PRESS DINING ROOM: Media possessing a season credential or a single-game credential are invited to have a meal before each game in the press dining room, located on the lower level (Grand Casino Arena's south side). The Minnesota Wild charge media \$15 to eat in the press dining room. The room opens two-and-one-half hours before game time. Dining room usage is limited to those presenting valid Wild credentials or NHL Team Management passes. It is impossible to accommodate family members, friends, guests or others. Any abuse of dining room privileges may cause forfeiture of a media pass. Refreshments are also available in the press box during the game.

TELEVISION COVERAGE: All television stations are prohibited by the National Hockey League from shooting and distributing game footage of any contest that is being broadcast from Grand Casino Arena by the Minnesota Wild, the visiting team or network television. Requests for special features and the like should be directed to the Wild Communications department.
