Media Credentials shall be issued in accordance with NHL policies to actively working media and broadcast rightsholder members who maintain a legitimate working function at games and who produce consistent coverage via the Professional Hockey Writers Association (PHWA), or at affiliated media outlets or networks. Unaffiliated outlets or networks whose planned coverage benefits from access and interviews can request a credential on a case-by-case basis from the Ducks PR staff.

Any violation of these policies will result in revocation of credential for the remainder of the 2025-26 season.

- Access to the Honda Center Press Box is restricted to credentialed working media members and Hockey Operations staff only.
- Family, friends and other guests of credentialed holders or staff will not be permitted in the Honda Center Press Box, in locker room spaces or to morning skates.
- Credential holders are prohibited from using credentials to gain access to non-approved ticketed events and non-press areas at Honda Center without prior approval.
- The Honda Center Press Box is a professional working environment.
- Credential holders are asked to refrain from wearing jerseys, consuming alcohol, or behaving in a manner akin to a fan capacity.
- Credential holders are asked to follow all posted signage including the press seating chart.
- Honda Center Press Box seating is limited. In cases where a seat is not available, media may still be granted access to cover digitally.
- Sharing or posting to social media photographs of Credential is strictly prohibited.
