AT A GLANCE

RIGHT ON Q-UEUE

Forward **Quinton Byfield** returns to Little Caesars Arena for the first time since tallying a pair of power play goals in the building just over a year ago on Jan. 13, 2024. The 22-year-old center enters tonight's contest against the Red Wings two days after scoring his 10th goal of the season on Saturday at Nationwide Arena, which knotted the team's battle with the Blue Jackets at two goals apiece to force overtime. Per NHL PR, Byfield's tally came at 18:55 in the third period, marking the latest game-tying goal for the Kings since **Drew Doughty** found the back of the net at 18:57 on Oct. 28, 2023.

SWISS-SATIONAL

Forward **Kevin Fiala** is set to take the ice in Motown fresh off the 116th multi-point performance of his career after recording a pair of assists on Saturday in Columbus. Since being acquired by the Kings on June 29, 2022, Fiala has posted 49 multi-point performances in black-and-silver, the third most on the team in that span behind **Anze Kopitar** (53) and **Adrian Kempe** (52). Of those 49 games where the winger has registered a pair of points or more, 26 have featured at least two assists – the most among all Kings skaters since his first season in 2022-23.
