1,000KPOSO

If he plays tonight, **Kyle Okposo** will reach 1,000 games played in his career.

He would become the 12th skater to appear in their 1,000th NHL game as a member of the Sabres and the first since Jason Pominville (Nov. 1, 2018).

He would be the 381st skater in NHL history to reach 1,000 games played.

Okposo was drafted in the first round (7th overall) of the 2006 NHL Draft by the New York Islanders.

He went on to appear in 529 games with the Islanders, amassing 369 points (139+230) in that span.

His 529 games with the New York Islanders are the 29th-most in Islanders history.

Okposo has played in 470 games with Buffalo and has notched 226 points (91+135) in that span.

His 470 games played with Buffalo are the 36th-most in Buffalo Sabres franchise history.

Okposo is currently tied with Derek Plante for the 42nd-most goals in Sabres franchise history and he ranks 46th all-time in points scored among all Sabres skaters.

He is one of 31 skaters who have appeared in at least 450 games and who have recorded at least 225 points with Buffalo.

With a point in tonight's game, **Okposo** would become the sixth skater to record a point in their 1,000th NHL game as a member of the Sabres.

Okposo leads all current Sabres skaters in career goals (10), assists (18) and points (28) against Boston.
