# 2026-27 INSIDE EDGE RENEWAL FAQs

14 SEAN COUTURIER

## **How will my 12-Month Payment Plan work for next season and for future seasons?**

For your convenience, your Inside Edge membership will automatically renew for future seasons on our 12-Month Payment Plan. Payments will automatically continue using the credit card on file on or about the 30th of each month for the duration of each 12-month payment cycle (February-January) unless you opt out. Any months where the 30th falls on a weekend or holiday will be charged the last business day before the 30th. Payment amounts will be based on the Inside Edge membership pricing in effect at the time of renewal, which will be communicated each year in advance of the first payment in the next cycle.

If you were most recently on a Pay in Full payment plan, or paid by check/wire, your payment will be due to be charged in full on February 20, 2026. To view your invoice, please see [Xfinity Mobile Arena Account Manager](#).

To make any changes to your payment plan, please call your Membership Services Manager directly or Flyers Membership Services at (215) 218-4326.

## **How do I improve my seating location for next season?**

All seating upgrades and relocations will occur at our annual summer event, Select-A-Seat. This event is a prime benefit for all renewed members and the most widely attended event by our Inside Edge members. All open seats will be made available to current season ticket members with the highest tenured members receiving priority selection rights. Only at the conclusion of Select-A-Seat for renewed members will the general public receive the opportunity to purchase remaining locations. For more information or to inquire about Premium Seating locations, please contact your Account Manager.

## **Can I use multiple cards for my 12-Month Payment Plan or my 2026 Stanley Cup Playoff Tickets?**

Yes. You may update your payment plan in Xfinity Mobile Arena Account Manager under the "Invoice" tab. You may also split payments among multiple cards at this page.

## **When will I receive my renewal incentive?**

The full season renewal incentive, an exclusive Flyers hat - featuring the Flyers logo crafted from an NHL puck and an authentic game-used element for a one-of-one design, will be delivered to season ticket members closer to the start of the 2026-27 season. More information to follow throughout the summer.

## **When will I choose and receive my member gift?**

Full season members will receive an email over the summer to choose their member gift for the 2026-27 season. Member gifts will be shipped closer to the start of the 2026-27 season. More information to follow throughout the summer.

## **What happens if I miss a payment or my credit card is declined?**

You will be contacted by the Philadelphia Flyers and asked to provide a valid credit card. Your online account manager privileges will be suspended until the payment is made and your tickets may be blocked. If you are unable to arrange for regular monthly installments, you will be removed from the 12-Month Payment Plan and will need to pay your remaining balance in full to avoid cancellation of your membership.

## **Who do I contact if I need to update my credit card information?**

Please contact your Membership Services Manager directly or the Flyers Membership Services Department at (215) 218-4326 or via e-mail at [FlyersService@comcastspectacor.com](mailto:FlyersService@comcastspectacor.com). Alternatively, please visit [Xfinity Mobile Arena Account Manager](#) and click "My Profile" to update payment.

# 2026-27 STANLEY CUP PLAYOFF FAQs

## What is Pay As We Play?

This incentive for renewed members allows you to pay only for the 2026 Stanley Cup Playoffs at the conclusion of each playoff round. This means no upfront payment for games that might not be played. You are charged only if the Flyers play a home game during that round. To qualify, you must renew your Inside Edge membership for the 2026-27 season. The Flyers reserve the right to cancel your 2026-27 membership and all tickets for future rounds if you default on any Pay As We Play payments.

## Do I have to use the same credit card for both the 12-Month Payment Plan and Pay As We Play?

Yes. We will automatically charge the credit card we have on file for the 12-Month Payment Plan on or about the 30th of each month for your Inside Edge membership. At the end of each playoff round, the same card will be charged for any home games played during that round. If you wish to change your payment method, please contact your Membership Services Account Manager directly or visit [Xfinity Mobile Arena Account Manager](#) and click "My Profile" to update payment method.

## May I pay in full for rounds 1 through 4?

You may choose to purchase your seats for all four playoff rounds up front (16 possible games for full season members & 8 possible games for half season members). Refer to the seating diagram for pricing information. Any money from playoff games not played will be credited to your Flyers account for the 2026-27 season.

## I am a half season member and would like to purchase a full playoff strip. What are my options?

Full playoff strips are available for full season Inside Edge members only. All members will have additional presales for single game tickets. If you would like to consider full season options for the 2026-27 regular season, please reach out to your account manager directly.

## I would like to add on additional playoff strips. What are my options?

Full season members will have the opportunity to add on additional playoff strips, with eligibility based on account tenure. Additional playoff strips are subject to availability. More information to follow.

## What if I do not wish to renew, but would like to purchase 2026 Stanley Cup Playoff tickets?

If you choose not to renew your 2026-27 membership, you may still purchase your seats for the playoffs by enrolling to pay in advance for playoff games with rounds 1 & 2 upfront and rounds 3 & 4 upon advancement at the non-renewed member rate. A valid credit card must be enrolled to utilize the in-advance payment option.

Non-renewed members will still receive a non-renewed member rate, discounted from general public pricing.

## How do I sign up for Pay As We Play?

By renewing, you are automatically enrolled in Pay As We Play for the 2026 Stanley Cup Playoffs. Should you wish to renew but not purchase your playoff tickets, you must contact the Flyers directly in advance of the playoffs. Please note that if you default on your payments for the 2026 Playoff Pay As We Play program, the Flyers reserve the right to automatically cancel your 2026-27 Membership and remaining playoff tickets.

## What if I don't want to purchase playoff tickets?

We hope you will join us for the excitement of Flyers playoff hockey. However, you may choose to only renew your Inside Edge membership for the 2026-27 regular season. Please contact your Flyers representative directly to un-enroll in playoff tickets.

## What if I want to purchase playoff tickets game by game?

Presales will be hosted for each round for individual game tickets which our members will receive a preferred timeslot for ticket access. Please note that presale availability is not a guarantee to purchase, specific seats cannot be guaranteed, and pricing will be gate price. We highly recommend that you purchase your playoff strip utilizing Pay As We Play to guarantee access to all games.

## Can I enroll in Pay As We Play for my seats after the playoffs start at any time?

No. A deadline will be communicated for members who are not enrolled in Pay As We Play for their specific seating location. After that deadline, we will make tickets available via presales and to the general public to ensure all fans have access to purchase available playoff tickets.

## What forms of payment will be accepted for 2026 Pay As We Play playoff payment program?

The only form of payment accepted for Pay As We Play is a major credit card. We accept all major credit cards (American Express, Visa, MasterCard, Discover). If you wish to pay by check, you must pay for all four rounds of the 2026 Stanley Cup Playoffs by April 1. Money from games not played will be automatically applied to your 2026-27 Inside Edge membership or be available as additional account credit or refund.

## How will I receive my 2026 Stanley Cup Playoff tickets?

2026 Stanley Cup Playoff tickets will be loaded onto your online Account Manager shortly after a playoff appearance is officially clinched.

## Can I buy additional playoff tickets through the Flyers?

Additional 2026 Flyers Playoff tickets will be made available to Inside Edge members prior to the general public. More information on pricing and availability will be communicated at a later date.

## Will the Ticket Exchange Program be available during the playoffs?

The Ticket Exchange Program is an active benefit for Inside Edge members during the regular season only. Credit remaining on your account may not be used for Flyers playoff games and will expire at the end of the 2026-27 regular season. For games that you cannot personally attend, members still have the opportunity to manage tickets online (transfer & resell) via Xfinity Mobile Arena Online Account Manager.
