25 Years of CBJ in the Community

Learn more about programs that the Columbus Blue Jackets Foundation supports.

1 EDUCATION IMPACT: In the classroom, our programs help students build academic skills, celebrate achievement, and prepare for the future. With hands-on learning experiences, career readiness programs, and so much more, each initiative helps kids score big!

2 COLUMBUS METROPOLITAN LIBRARY SCHOOL HELP CENTERS: We support School Help Centers, which provide students with a safe, welcoming place to learn, grow, and succeed after school. From homework help to confidence building, these centers make a difference for students.

3 STUDENT ACHIEVERS, POWERED BY AEP: We celebrate students' hard work by rewarding them with a special ticket offer. Last season, more than 2,000 students were recognized for their grit, determination, and commitment to learning.

4 JUNIOR ACHIEVEMENT OF CENTRAL OHIO: Our grants support JA BizTown, where students step into a mini city and experience how the real world works.

5 CBJ SCHOLARSHIPS: We recognize local seniors who go above and beyond in their schools and communities. These scholarships help shape the next generation of leaders and recognize students who lead with character.
