ABOUT SPIKE'S K9 FUND

Spikes K9 Fund was founded by James Hatch, a retired Special Warfare Operator. As a K9 handler on several deployments, James' life was regularly spared by the work of K9s – one of the most memorable was Spike. And on James' final deployment, the night he was critically wounded, a K9 Remco spared James' life while losing his own. From that evening on, James oriented his life around the training, care, and preservation of working dogs. In addition to working as the founder and president of the fund, he works with local law enforcement to fine tune their work.
