RANGERS NOTES

- ♦ **SCORING HIGH** – The Rangers have scored at least three goals in three-straight games, tied for the second-longest active streak in the league. Since Mar. 2, New York's 55 goals scored are tied for the most in the NHL.
- ♦ **Igor Shesterkin** allowed one or fewer goals for the 10th time this season and surpassed John Vanbiesbrouck for the ninth most games in franchise history having allowed one or fewer goals (90).
- ♦ **Adam Fox** and **J.T. Miller** all extended their point streaks to three-straight games (Fox: 4A, Miller: 1G-4A).
- ♦ **Fox** notched his 13th multi-point game of the season (1G-1A) and his 13th career multi-point third period as a Ranger, surpassing Brad Park for the fourth-most by a New York defenseman in franchise history. Since the start of the 2024-25 season, his 30 multi-point games rank seventh among all NHL blueliners. He has tallied at least one point in 11 of his last 14 games (1G-12A) and in that span, his 12 assists rank sixth in the NHL.
- ♦ **Adam Sykora** has scored a goal in back-to-back games and is one of only three rookies in the NHL with an active

goal streak. He became the second Rangers rookie (Noah Laba) to score a goal in consecutive games this season. The last time the Rangers had multiple rookies achieve the feat in the same season was in 2016-17.
