## TEAM NOTES

- ★ Columbus has won four of its last five games and five of the past eight since Dec. 16 with today's victory.
- ★ The Blue Jackets have won the first two games against Buffalo in 2025-26 (4-3 OTW at BUF on Oct. 28) and have already won the season series for the second-straight campaign (2-1-0 in 2024-25). The Jackets will look to complete the season sweep on Apr. 9 at Buffalo.
- ★ The Jackets snapped a franchise-high (tied) 10-game win streak for the Sabres. It's the third time in CBJ franchise history the club has ended an opponent's double-digit win streak according to NHL Stats (Dec. 31, 2016 vs. Minnesota, 12-game streak; Feb. 25, 2024 vs. NY Rangers, 10-game streak).
- ★ The club has scored four goals or more in three of its past four contests. The five goals by Columbus this afternoon, including three in the opening period, snapped a Buffalo streak of six games where the team allowed two tallies or fewer.
- ★ CBJ scored the first goal of the game for the 23<sup>rd</sup> time this season (14-5-4). It also marked the fifth-straight game as well as for the 13<sup>th</sup> time at Nationwide Arena (8-4-1).
- ★ The Jackets denied the Sabres on all five power play attempts and have allowed one power play goal over the past six contests since Dec. 20 (19-of-20; 95.0 pct.).
- ★ Columbus skated in front of its fifth and largest sold-out crowd of the season today and is 3-1-1 when playing in a sold-out Nationwide Arena this season.
