2025-26 FAN EXPERIENCES

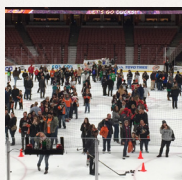

MITES/SQUIRTS ON ICE SHOOT-OUT

Rep your team! Youth hockey teams ages six-ten can showcase their skills in front of thousands of hockey fans at Honda Center by participating in an intermission shoot-out during a Ducks game. This opportunity is limited to 10 skaters and two goalies.

BLUE LINE SKATERS

Stand at center ice next to your NHL heroes under the lights at Honda Center during the national anthem of a Ducks game! Youth hockey teams can select five skaters and one goalie to participate in this once-in-a-lifetime experience.

PRE OR POST-GAME ICE SLOTS

Play where the pros play! Your group has the opportunity to play a hockey game, broomball match, slapshot experience, or participate in an open skate session on Honda Center's ice. Pre and post-game ice slots are based on availability.

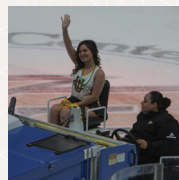

FLAG CEREMONY/COLOR GUARD

Military, Scout, Law Enforcement & Fire groups get the special honor of presenting the flags on the ice prior to the national anthem of a Ducks game at Honda Center. This opportunity is limited to four participants.

STREET HOCKEY EXPERIENCE

Have the Anaheim Ducks Street Team members set up street hockey at your location! Put on a clinic to teach the basics of hockey or just allow your company, students or youth organization to start playing right away and practice their hockey skills.

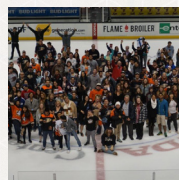

ZAMBONI® RIDE

Your moment to shine! Choose one lucky member of your group to ride on the Zamboni® Ice Resurfacing Machine during a pre-game or intermission "sweep" for an experience of a lifetime!

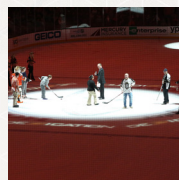

SILENT AUCTION TABLE

Raise funds for your organization at a Ducks game! The Ducks will provide up to four items to include at our game-night silent auction table on the main concourse of Honda Center with proceeds going back to your organization.

POST-GAME GROUP PHOTO

Put the cherry on top of your fun Anaheim Ducks group experience by capturing a photo of your group on the ice at Honda Center. This opportunity has limited availability.

INTERMISSION ACTIVITY

A fan favorite! Have up to four members of your group participate in one of our on-ice intermission activities. Race around the ice in a giant hamster ball, take your shot at targets, or participate in a different entertaining contest during a Ducks game.

**All fan experiences are subject to availability and require a minimum ticket purchase to qualify.*
