

BLACKHAWKS HALL OF FAME | STEVE LARMER

STEVE LARMER Heritage Era (1980-93)

Steve Larmer leads the Blackhawks all-time in power play goals (153), ranks fourth in goals (406), fifth in points (923) and seventh in assists (517) in 891 career games with the club. He played 884-straight regular-season games with Chicago, the seventh-longest streak of consecutive games played in NHL history. His streak of 11-straight 70-point seasons between 1982-93 is the longest such streak in franchise history and he is one of nine NHL players to accomplish the feat all-time.

“One of the most prolific scorers the team has ever seen, Steve set the bar for what it means to be a Blackhawk,” Wirtz said. “From his remarkable production to his extraordinary iron-man streak, Steve quietly laid the foundation for generations of future Blackhawks players and fans alike.”

The Peterborough, Ontario native was selected by Chicago in the sixth round (120th overall) of the 1980 NHL Draft, winning the Calder Memorial Trophy and being named to the NHL All-Rookie Team during the 1982-83 season after recording 90 points (43G, 47A) in 80 games. Additionally, he set the NHL record for game-winning goals by a rookie in a single season with nine during the 1982-83 campaign. Larmer won a silver medal with Canada in the 1991 IIHF World Championship, a Stanley Cup with the New York Rangers in 1994 and played in two NHL All-Star games in 1990 and 1991.
