- **Johnston** needs two more points to reach the 200-point milestone. Similarly, he will become the first player in his draft class to total 200 career points and the 50th player in franchise history to have 200 points with the team.

THE MOOSE IS LOOSE

- **Mikko Rantanen** has tallied 27 points (9-18—27) in 20 games played this season and enters tonight's game leading the team in scoring. He has recorded a point in all but three games this season.
- **Rantanen's** 27 points were tied for the fourth-most in the NHL and his 18 assists were tied for fifth entering play Wednesday.
- His current scoring rate puts him on pace to finish the season with 74 assists and 111 points, both of which would be a career high for the 11-year veteran. 111 points would make his 2025-26 campaign the second-highest scoring season in franchise history behind only Bobby Smith who had 114 points (43-71—114) in 1981-82.
- Fifteen (4-11—15) of **Rantanen's** 27 points this season have come on the power play, which was the most in the NHL entering play Wednesday.
 - **Rantanen** is currently on pace to finish the season with 62 power-play points which would set a franchise record and surpass his career high of 40 (14-26—40) that he had in 2023-24 while playing for the Colorado Avalanche.
 - Bobby Smith in 1980-81 currently holds the franchise record for power-play points in a season with 44 (13-31—44).
- **Rantanen** has drawn 11 penalties this season, which was tied for the fourth-most in the NHL entering play Wednesday. His 11 penalties drawn account for 14.3 percent (11 of 77) of the penalties the Stars have drawn this season.
- **Rantanen** had two points (1-1—2) in Dallas' game on Nov. 11 against Ottawa. His goal marked his 40th point as a member of the Stars in his 37th game played with the team. He tied Russ Courtnall as the second-fastest player in franchise history to reach the mark, behind only Mike Gartner (35 GP) according to NHL Stats.
- According to NHL Stats, **Rantanen** became the 14th player in franchise history and sixth skater in Stars team history to have at least 20 points through the team's first 14 games of a season. **Jason Robertson** was the last player to do so, notching 21 points (9-12—21) through the team's first 14 games played in 2022-23.
- **Rantanen** scored his 300th and 301st career goals on Nov. 4 against the Oilers, making him the fourth Finnish skater in NHL history, the second player drafted in 2015 and the 39th active NHL skater to score 300 career goals.
 - **Rantanen** is also the third-fastest Finn to score 300 NHL goals, doing so in his 665th career game.

IT'S NOT OVER 'TIL IT'S OVER

- The Stars erased a two-goal deficit in their game on Nov. 11 against the Ottawa Senators, eventually winning the game 3-2 in overtime. It marked the first time the Stars won a game in Ottawa since March 6, 2016.
- Dallas' performance against the Senators marked the fourth time this season that the Stars have been trailing in a game by two goals and have come back to win, the most in the NHL entering play Wednesday.
- Overall, the Stars have seven comeback wins this year, which was tied for the second-most in the NHL entering play Wednesday.
- Additionally, Dallas has won five games when allowing the first goal in a game this season, which was tied for the third-most in the NHL entering play Wednesday.

IRON SHARPENS IRON

- The Stars have two players on their roster that have played in at least 100 consecutive regular-season games: **Jason Robertson** (312) and **Wyatt Johnston** (266).
- **Robertson's** 312-game Iron Man streak was the eighth-longest active such streak in the NHL entering play Wednesday.
- **Johnston** has not missed a regular-season game since making his debut in the 2022-23 season opener on Oct. 13, 2022, making him one of 27 players in NHL history to begin their NHL career by playing in at least 266 consecutive games according to NHL Stats. Entering play Wednesday, it was tied for the 13th-longest active Iron Man streak in the NHL.
- **Johnston** was one of 21 players to appear in at least 246 regular-season games from 2022-23 to 2024-25. Only Will Borgen (248) and Charlie Coyle (247) appeared in more.
 - Borgen (84) and Coyle (83), who were traded midseason, both played in more than 82 regular-season games in 2024-25.

THE FINNISH FOUR

- Dallas' roster currently houses four Finns: **Miro Heiskanen**, **Roope Hintz**, **Esa Lindell** and **Mikko Rantanen**. Dallas' four Finns all hail from different Finnish cities: Espoo (**Heiskanen**), Nokia (**Hintz**), Nousiainen (**Rantanen**) and Vantaa (**Lindell**).
- **Heiskanen**, **Lindell** and **Rantanen** were three of the six players selected to Finland's preliminary Olympic roster with **Hintz** expected to join them in Milan this year. Prior to their time together on the Stars, various combinations of the four Finns had played together in international competition.
 - All four players were selected to represent their home country at the Four Nations Face-Off last February before **Heiskanen** had to withdraw due to injury.

 - **Hintz** and **Rantanen** played together at the 2015 and 2016 IIHF World Junior Championships, winning a gold medal in 2016.

- The four Finns, along with current Ducks forward and former Star Mikael Granlund, started Game 2 of the Western Conference Final against the Oilers during the 2025 Stanley Cup Playoffs. It marked the first time in a regular-season or playoff game since the NHL began tracking starters in 1997-98 that all five skaters starting were from Finland.
- In all, 34 Finnish players (28 skaters and six goalies) have appeared in at least one regular-season game for the Stars, the most of any NHL franchise in League history.
