He is the first Stars skater to have a power-play point in five straight games since **Tyler Seguin** had a six-game power-play point streak from Dec. 29, 2018 to Jan. 8, 2019 according to NHL Stats.
- **Johnston** recorded three consecutive multi-point efforts from Nov. 4 to 8, notching three assists against the Oilers, three points (2-1—3) against the Ducks and two assists against the Predators.
 - Both of **Johnston's** goals against Anaheim came on the power play, marking the second time in his career that he has had multiple power-play goals in the same game, after scoring three on March 2, 2025 against the St. Louis Blues.
 - **Johnston** also scored the game-deciding goal in the shootout against Edmonton. It marked the second shootout goal of his career and the first time he has scored a game-winner in the shootout.

ALEXANDER THE GREAT

- Since Nov. 8, the Stars are outscoring their opponents 15-4 during 5-on-5 play when defenseman **Alexander Petrovic** is on the ice. His 15 on-ice goals for plus-11 goal differential were both tied with **Jason Robertson** for the team lead during that span.
- **Petrovic's** plus-11 even-strength on-ice goal differential since Nov. 8 was tied for the seventh-best mark in the NHL and tied for second among all defensemen during that span entering play Saturday.
- **Petrovic** notched an assist in Dallas' last game on Nov. 28 against Utah and now has seven points (1-6—7) in 23 games played this season, ranking fourth among Stars defensemen in scoring. He is currently on pace to finish the season with four goals, 23 assists and 27 points, all of which would be career highs.
- A goal or an assist tonight would give **Petrovic** points in three consecutive games for the second time in his career after previously doing so from March 24 to 29, 2016.
- **Petrovic** skated 22:12 of ice time in Dallas' game on Nov. 25 against the Edmonton Oilers, his highest single-game total since he skated 24:02 on Oct. 19, 2018 against the Washington Capitals while he was a member of the Florida Panthers.
- **Petrovic** scored his first goal of the season in Dallas' game on Nov. 13 against the Montreal Canadiens, a 7-0 Stars win. It marked his first regular-season NHL goal since April 2, 2018.
- **Petrovic** finished the Stars' game against the Canadiens with a plus-5 plus/minus rating. It marked the highest plus/minus rating in a single game in his career and the best mark by a Stars defenseman since Ryan Suter (plus-5) on March 9, 2023 at Buffalo.

BISH BETTER HAVE MY MONEY

- **Lian Bichsel** has totaled a team-high 85 hits this season, which ranked seventh in the NHL and led all NHL defensemen entering play Saturday. He is currently on pace to finish the season with 279 hits, which would be the most hits in a single season by a Stars skater in franchise history.
 - Steve Ott, with 278 in 2011-12, currently holds the single-season franchise record.
- **Bichsel** has recorded eight hits in a game three times this season, on Oct. 23 vs. Los Angeles, Oct. 28 vs. Washington and Nov. 15 vs. Philadelphia. Entering play Saturday, **Bichsel** was the only skater in the NHL this season to have three eight-hit games.
- If he were to have at least eight hits in a game again, he would become the eighth player in franchise history to have recorded four eight-hit games and the fourth player to do so in one season, joining Mark Fistric (5; 2011-12), Joel Lundqvist (4; 2006-07) and Steve Ott (5; 2008-09, 7; 2009-10, 6; 2011-12).

THE QUEBÄCK LINE

- **Oskar Bäck**, **Mavrik Bourque** and **Justin Hryckowian** have played 98:15 at 5-on-5 together this season. In that time, the Stars are outshooting their opponents 41-26 and have a 58.9 percent on-ice Corsi rating according to Natural Stat Trick when the trio is on the ice.
- Among all NHL forward lines to play at least 60 minutes together this season, the **Bäck/Bourque/Hryckowian** line ranked fifth in the NHL with a 65.9 percent expected goals rate according to MoneyPuck.com entering play Saturday.
- On Tuesday against the Oilers, which the trio was on the ice, Dallas outscored Edmonton 1-0, outshot them 6-1 and 80 percent on-ice Corsi rating during 9:37 of 5-on-5 play.
 - **Hryckowian** scored the team's seventh goal of the night and **Bourque** notched an assist in an eventual 8-3 win.
- In Dallas' game on Nov. 21 against Vancouver, the line played 5:58 of 5-on-5 ice time together. When the trio was on the ice during that time, the Stars outshot the Canucks 7-0 and outscored them 1-0.
 - **Bourque** scored a goal and **Bäck** and **Hryckowian** both tallied an assist in the win.
- With eight points (3-5—8) in 25 games played this season, **Bourque** is pacing to finish the year with 16 assists and 26 points, both of which would be career highs for the forward.

IRON SHARPENS IRON

- The Stars have two players on their roster that have played in at least 100 consecutive regular-season games: **Jason Robertson** (317) and **Wyatt Johnston** (271).
- **Robertson's** 317-game Iron Man streak was the eighth-longest active such streak in the NHL entering play Saturday.

- **Johnston** has not missed a regular-season game since making his debut in the 2022-23 season opener on Oct. 13, 2022, making him one of 24 players in NHL history to begin their NHL career by playing in at least 271 consecutive games according to NHL Stats. Entering play Saturday, it was tied for the 12th-longest active Iron Man streak in the NHL.
- **Johnston** was one of 21 players to appear in at least 246 regular-season games from 2022-23 to 2024-25. Only Will Borgen (248) and Charlie Coyle (247) appeared in more.
 - Borgen (84) and Coyle (83), who were traded midseason, both played in more than 82 regular-season games in 2024-25.

It marked the first time in a regular-season or playoff game since the NHL began tracking starters in 1997-98 that all five skaters starting were from Finland.
