HOW TO COLLECT CARDS

Blue Note Kids Club cards can pop up just about anywhere! Find them in:

- Kids Club official card binder (Available for purchase in app or at stlouisblues.com/kidsclub)
- Gameday giveaways - don't forget to stop by the Kids Club table every home game!
- Random bonus prizes, including completing certain activities
- Certain special events and Kids Club events
- Surprise methods - you never know where you might find your next card!

Some cards are common; others are a bit trickier to find. Keep your eyes peeled and your binder ready.

TRADE YOUR DUPES

Stack of the same card? Trade in three duplicates of any single card to earn a new one. Trades available at select events or any Blues home game - more details coming soon.

SHOW OFF YOUR COLLECTION, EARN A REWARD

(Must own official Kids Club binder)

You don't need every card to complete your binder, just a strong collection. Once you've got a solid set, show it off at a Blues home game or Kids Club event to earn a stamp on the inside cover of your official Kids Club binder. We'll hook you up with a special bonus card or prize for all your hard work!
