AT A GLANCE

AWAY TEAM'S CRYPTO-NITE

The Kings return to Crypto.com Arena for their second game this weekend following yesterday's 7-2 victory over the Carolina Hurricanes. The cross-conference regular season series-sweep extended the team's home point streak to 13 games, tying their franchise record set in the 2022-23 campaign (11-0-2). As part of yesterday's contest, the Kings scored six consecutive goals in a game for the first time since March 20, 2024 (6). The last time the team scored seven straight tallies in a contest was March 22, 2018 (7).

KING OF KINGS

In last night's victory, captain **Anze Kopitar** (1-1=2) netted his 17th goal of the season and 124th career power-play goal, breaking a tie with **Dave Taylor** (123) to take sole possession of third all-time on the Kings' franchise power play goals list. In the Kings win against Dallas on Feb. 7, Kopitar passed Taylor for third most goals overall by netting his 432nd career marker for the Kings. The center also added his 830th career assist yesterday afternoon and enters today's contest tied with **Henrik Sedin** for 28th most assists in NHL history. Both components of Kopitar's 315th multi-point performance came in yesterday's opening stanza for 150th career multi-point period of his career.

POWERTRAIN UNLIMITED 500 GAME WARREN-TY

Forward **Warren Foegele** gears up for his 500th career regular season game just a day after helping the Kings to victory against the club that selected him in the third round (67th overall) of the 2014 NHL Draft. Foegele tallied his 19th assist of the season and now has five points (2-3=5) in his last seven games. The 28-year-old forward has collected 38 points (19-19=38) while leading all Kings skaters in plus/minus (+29), game-winning goals (6) and takeaways (29). Of his 19 goals this year, all have come at even-strength.
