JEFF VINIK

CHAIRMAN & GOVERNOR

JEFF VINIK purchased the Tampa Bay Lightning on March 3, 2010, promising a comprehensive transformation of the franchise while pledging to make a significant positive impact in the Tampa Bay community, and he has delivered. Upon acquiring the Lightning. Vinik vowed to make the organization "world-class," creating an unrivaled fan experience while putting together a team of which Tampa Bay sports fans would be proud, on and off the ice. Vinik and his franchise became Stanley Cup Champions on September 28, 2020 when the Lightning defeated the Dallas Stars in six games after spending 65 days in the pandemic-induced NHL "Bubble." The Lightning repeated the feat becoming only the second team since the turn of the century to go back-to-back after downing the Montreal Canadiens in five games to capture a second-consecutive Stanley Cup on July 7, 2021. The Lightning returned to the Stanley Cup Final for the third season in a row in June of 2022 where they fell to the Colorado Avalanche in six games.

As Vinik enters his 13th year of ownership, the Lightning are recognized nationally as one of the top organizations in North American sports, having appeared in the National Hockey League's Eastern Conference Final/Stanley Cup Semifinal seven times (2011, 2015, 2016, 2018, 2020, 2021 & 2022), advancing to the Stanley Cup Final four times (2015, 2020, 2021 & 2022), and winning hockey's ultimate prize in 2020 and 2021. Off the ice, the Lightning brand has been completely revitalized and transformed, having been lauded by both ESPN as the No. 1 team in professional sports in the media giant's Ultimate Standings (also ranking in the Top 10 in six of seven years), as well as by the Sports Business Journal as one of five finalists for Team of the Year in 2016, 2020, and 2022, earning that title in 2022. AMALIE Arena has sold out 330 consecutive games (includes playoffs) entering the 2023-24 season, the NHL's longest active sellout streak beginning 3/26/15 (2020-21 season excluded due to social distancing protocols). Vinik now sits as a member of the Executive Committee of the National Hockey League's Board of

In executing his plan to bring a world class franchise to life in Tampa Bay, Vinik has invested more than \$100 million in private funding into the publicly owned AMALIE Arena to create a guest-first facility recognized as one of the finest in the NHL. Additionally, under the umbrellas of the Vinik Family Foundation and the Lightning Foundation, Jeff and his wife, Penny, have invested nearly \$50 million in Tampa Bay area charities through a variety of programs and donations, the most notable being the Lightning Community Heroes program, in which \$50,000 is donated to worthy individuals and their non-profits of choice at each Bolts home game. The Viniks honored the organization's full-time staff as the Lightning Community Heroes on June 26, 2022 pledging a total of \$1.22 million to them to donate to a local charity of their choosing. Through the 2021-22 season, more than \$27 million has been donated through the Community Heroes program to more than 750 local non-profits. He pledged another \$10-million to continue the Hero program for five more seasons in the summer of 2021.

The Lightning's success under Vinik has coincided with the emergence of a development company, Strategic Property Partners (SPP), LLC and its plan to develop approximately 60 acres in downtown Tampa's south core into a new district entitled Water Street Tampa. SPP, a partnership between Vinik and Cascade Investment, LLC of Kirkland, Washington, is developing a \$3 billion investment to bring Water Street Tampa to life and

reinvent the blocks surrounding AMALIE Arena into a walkable, 24-7 live-work-play wellness district. With construction of Phase 1 complete and Phase 2 on the immediate horizon, the district includes a School of Medicine for the University of South Florida, corporate office buildings, three Marriott hotel properties, residences, retail, restaurants, entertainment, and improved infrastructure. Vinik announced his exit from SPP in June 2023. He remains an advisor on the project.

Vinik is also the impetus behind Embarc Collective, an innovation hub which opened in downtown Tampa in 2019. Embarc formally brings together startup companies, venture capitalists, academic resources, and startup-focused partners in a central physical hub to help open opportunities, inspire iteration, push progress, and put Tampa Bay on the map as a prime destination for diverse startup talent to make an impact.

Jeff and Penny Vinik continue to personally invest in the community bringing one-of-a-kind art installations "The Beach," "Art of the Brick," and "Love is Calling" to the city of Tampa. The Beach came to AMALIE Arena in 2016 and featured 1.2 million translucent white balls creating an indoor beach for nearly 100,000 patrons. Art of the Brick, the first exhibit to focus exclusively on the use of LEGO bricks as an art medium, was brought to downtown Tampa in 2017. Love is Calling, an iconic infinity room made by Yayoi Kusama, who was considered the best female artist in the world at that time, was the featured exhibit at the Tampa Museum of Art for six months during 2018-19.

The Vinik family has also directly contributed to several local non-profits, including the Florida Aquarium, Tampa Museum of Art, the United Way of Suncoast, Metropolitan Ministries, and Tampa Preparatory School and Jeff served as the Chairman of the American Heart Association's 2018 Tampa Bay Heart Walk.

In August of 2018, the Viniks helped cut the ribbon on the \$2.5 million Jeff and Penny Vinik Family Winston Park Boys and Girls Club in east Tampa. In 2017, the Viniks donated \$1 million to relief efforts after Hurricane Harvey struck the state of Texas and another \$1 million (through the Lightning Foundation) after Hurricane Irma devastated much of the state of Florida. In September 2017, the University of South Florida's Muma College of Business renamed its dual-degree sport-focused graduate program the Vinik Sport and Entertainment Program, a result of Jeff and Penny's support of the University and this field of study.

In September of 2019, through the Vinik Family Foundation, the Viniks donated \$5 million to help IDEA Public Schools, a network of nationally acclaimed, tuition-free college preparatory public charter schools, launch four new schools in the Tampa Bay area.

Penny Vinik is the chair of a community arts initiative which is enabling Tampa Bay-based artists to display their works throughout AMALIE Arena. She is a trustee and she is on the Executive Committee of the Tampa Museum of Art, where she led the search to select its Executive Director.

After growing up in New Jersey and attending high school at Riverdale Country School in New York City, Vinik graduated from Duke University (1981) with a Bachelor of Science degree in Engineering and Economics. He went on to earn his Master of Business Administration degree from the Harvard Business School, graduating in 1985.

Vinik was awarded Duke University's Distinguished Young Alumni Award in 1994, and he later served on the Duke University Board of Trustees. In May 2012, the family made a \$10-million donation to Duke to establish a faculty challenge fund that is being used to hire and retain professors who focus on complex societal challenges such as engineering and related areas in energy, global health, brain sciences, and the environment.

In addition to his primary business interests in Tampa Bay, Vinik maintains interests in several other entities, including aXiomatic, a Los Angeles-based esports and gaming company of which he is co-executive chairman. Founded in September of 2016, aXiomatic is the majority owner of the Team Liquid franchise, a stalwart esports franchise.

Jeff and Penny reside in South Tampa and have four children: Danny, Jared, Kyra, and Joshua.

STEVE GRIGGS

CHIEF EXECUTIVE OFFICER

STEVE GRIGGS is entering his ninth season as chief executive officer of Vinik Sports Group after being named to the position on July 24, 2015. Prior to being tabbed as CEO, he spent one year as team president and four as chief operating officer. Griggs first joined the organization as COO on August 31, 2010. He oversees all of Vinik Sports Group's divisions, inclusive of VSG Live, VSG Commercial Sales and VSG Facilities, leading all business operations for a number of influential brands, comprising of the Tampa Bay Lightning, AMALIE Arena, USF Athletics, Yuengling Center, The Identity Tampa Bay, Tampa Bay Sports retail and more. He is a twotime Stanley Cup Champion after the Lightning captured back-to-back Stanley Cups in 2020 and 2021, his name now engraved twice on hockey's Holy Grail. He was recognized by The Hockey News as the No. 1 team executive in the NHL in the publication's 2022 "Money and Power Issue" and, under Griggs' leadership, the Lightning were named the 2022 Sports Business Journal Team of the Year.

In 2020, Griggs spearheaded the creation of Vinik Sports Group, which serves as the parent company for the Tampa Bay Lightning, becoming the umbrella brand for three business verticals: VSG Commercial Sales, VSG Facilities and VSG Live. He introduced AMALIE Arena's Cur(ate) TPA initiative to deliver fans the best in fresh, local food and beverage options. Griggs led the charge on the design and opening of the new Cigar City Brewing Taproom on Ford Thunder Alley and continues to play a significant role in improvements to AMALIE Arena, the team investing close to \$100 million in renovations over the past 10 years with more scheduled. And in 2022-23, Griggs initiated the creation of the Lightning Hall of Fame, with franchise founder Phil Esposito joining Marty St. Louis and Vinny Lecavalier as the inaugural class during an induction ceremony that was the centerpiece of Lightning Alumni Weekend, which promises to become a much-anticipated annual event.

During Griggs' tenure with the Lightning, the organization has risen to unprecedented heights, as evidenced by the team having sold out 330-consecutive games entering the 2023-24 season, a streak that started in 2015 and is the longest current sellout streak in the NHL, Under Griggs' leadership, the Lightning introduced the Community Hero program in 2011-12, a cornerstone program that has since been renewed twice and continues to this day. The Community Hero program has donated nearly \$30 million to over 700 unique Tampa Bay-area non-profits, with \$50,000 being donated each game. Griggs has also championed the Vinik Sports Group's C.H.A.R.G.E. volunteer program where employees have volunteered over 37,000 hours at more than 150 non-profits each year, Additionally, the organization has donated nearly 7,600 items of player-signed merchandise to an average of 800 non-profits each year and has raised over \$1 million through auctions, mystery pucks, 50/50 raffles and players events, all donated back to local non-profits. Griggs also leads the DEI Council for VSG and has been instrumental in launching the USF DEI Certificate Training Program, which has had over 150,000 people across the globe participate.

Under Griggs' guidance, the Lightning ranked No. 1 in ESPN's "Ultimate Standings" in September 2016 and finished in the Top 10 in 2011, 2012, 2014 and 2015. Tampa Bay was a finalist for the Sports Business Journal's Sports Team of the Year in 2016 and 2021, being the only NHL team to do so, before winning the award in 2022. The organization has also been named to the Tampa Bay Times' Top 100 Best Places to Work five-consecutive years from 2014-2019 and again in 2022 and 2023

The Lightning's community hockey department, Lightning Made, has committed to opening 10 public outdoor rinks and distribute more than 500,000 street hockey sticks and balls to more than 1,000 local schools. Griggs spearheaded the launch of the Lightning Made Training Center, a focal point for youth to learn the game and for the team to continue teaching and educating more than just on-ice skills. On February 7, 2020, Griggs led the charge on new naming rights of the Lightning practice facility, TGH Ice Plex, and the construction of a \$9M upgrade to the building to create a state-of-the-art player environment.

Griggs led the organization's efforts in conjunction with the National Hockey League to host the 2018 NHL All-Star Game in conjunction with Gasparilla. He has also worked with the league to organize both the 2019 Global Series Games in Stockholm, Sweden and the 2022 Stadium Series Game in Nashville. Griggs and his wife, Janell, have a daughter, Maddie, and a son, Jack.

JULIEN BRISEBOIS

VICE PRESIDENT & GENERAL MANAGER, ALTERNATE GOVERNOR

JULIEN BRISEBOIS was named the eighth general manager in franchise history on September 11, 2018 and is beginning his sixth season in that capacity. BriseBois became the Lightning's second general manager to bring the Stanley Cup to Tampa Bay in 2020 and followed it with another Stanley Cup Championship in 2021 making the Lightning only the second team since the turn of the century to capture back-to-back Cups. He also helped the Lightning advance to the Stanley Cup Final for the third consecutive season in 2022. He is responsible for all Lightning hockey operations including the coaching and the scouting staffs, player procurement and development, as well as minor league affiliations and operations. He also serves as alternate governor reporting directly to chairman and governor, Jeff Vinik.

The Tampa Bay Lightning appeared in its third consecutive Stanley Cup Final in 2021-22 after defeating the Toronto Maple Leafs in seven games, the Florida Panthers in four games, and the New York Rangers in six games. The team, which was forced to skate without one of its top forwards in Brayden Point for the majority of that run, received a boost from new faces acquired by BriseBois before the trade deadline. He added some speed and some size with the additions of forwards Brandon Hagel from the Chicago Blackhawks and Nick Paul from the Ottawa Senators. Paul would score both goals for the Lightning in its 2-1 Game 7 victory over the Maple Leafs in that first round series.

After making three consecutive Stanley Cup Final appearances from 2020-22, BriseBois would make two trade deadline acquisitions in 2023 to add F Tanner Jeannot and F Mikey Eyssimont. The Bolts chase for a fourth straight Stanley Cup Final appearance was cut short in the first round by the Toronto Maple Leafs in six games.

The organization won its third Stanley Cup in franchise history and second in two seasons in 2020-21 despite missing superstar forward Nikita Kucherov for the entire regular season due to offseason hip surgery. BriseBois expertly navigated the NHL's salary cap utilizing nearly every tool and dollar at his disposal, nearly down to the last cent, to continue to ice a championship roster. Despite being hamstrung by the salary cap, BriseBois made a blockbuster move at the trade deadline, acquiring defenseman David Savard from Columbus to strengthen the back end. The Lightning would shut out their opponent in all four series-clinching victories, an NHL record, during their 2021 playoff championship run.

In 2019-20, BriseBois' Lightning captured the franchise's second Stanley Cup with a 4-2 series victory over the Dallas Stars. BriseBois bolstered the Lightning's line-up with two key trades during the month of February acquiring forwards Blake Coleman from New Jersey and Barclay Goodrow from San Jose. Both players played pivotal roles in the Lightning's run to the Stanley Cup.

Under BriseBois' guidance, the 2018-19 team became the first in Lightning franchise history to capture the NHL's President's Trophy for best regular season record, the Bolts finished 21 points ahead of second place Boston and Calgary. Tampa Bay's 128 points, at the time, were the fourth most in a single season in NHL history, and the Lightning matched the 1995-96 Detroit Red Wings for the League record for victories (62) in a single season. The Lightning set franchise records for wins, points, home wins (tied with 2014-15), home points, road wins, road points, ROW, goals, goals per game, power-play percentage, and longest win streak, among many others, in 2018-19.

BriseBois has twice been a runner-up for the Jim Gregory General Manager of the Year Award, earning nominations in 2019-20 and 2021-22. Prior to being promoted to general manager, BriseBois spent eight seasons as assistant general manager under Steve Yzerman. In that position, BriseBois assisted in all aspects of player personnel decisions, player

development, analytics, contract preparation and negotiation, collective bargaining agreement interpretation and compliance, as well as salary arbitration for the Lightning and the Syracuse Crunch of the American Hockey League, for whom he also served as general manager. In that role, BriseBois was also part of the AHL's competition committee and served as the chairman of the AHL Player Development Committee.

As general manager of the Lightning's top affiliate, the Syracuse Crunch, and the Norfolk Admirals before that, BriseBois has been the architect of teams that reached the Calder Cup Final on three occasions during his tenure, including most recently in 2017 with the Crunch, and won the AHL's championship in 2012 with Norfolk. With the Lightning's emphasis on drafting and development, the Crunch play an integral role in Tampa Bay's success. During the 2011-12 season, BriseBois' Norfolk Admirals set a professional sports record with a 28-game win streak that propelled Norfolk to the AHL's best regular season record. The team's regular season success continued in the playoffs as the Admirals went on to win the organization's first Calder Cup, the first championship by a Lightning AHL affiliate. In 2010-11 the Hockey News recognized BriseBois as the top hockey executive under 40 years of age in their "Top 40 Under 40" listing.

Prior to coming to Tampa Bay, BriseBois, 46, spent nine seasons with the Montreal Canadiens after joining the organization on September 1, 2001 as director of legal affairs. In July of 2003, he added director of hockey operations to his duties before being named vice president of hockey operations on July 24, 2006. In this capacity, BriseBois oversaw the Canadiens' AHL affiliate, the Hamilton Bulldogs. The Bulldogs went on to win the 2007 Calder Cup during the first season under BriseBois' direction. On August 23, 2007, BriseBois was named the general manager of the Hamilton Bulldogs making him the youngest in the AHL at the time. During that time, he retained his position with the Canadiens.

A native of Greenfield Park, Quebec, BriseBois was employed by the Heenan Blaikie law firm before joining the Canadiens. He worked in the field of sports law where he represented several NHL and MLB clubs in arbitration cases as well as acting as an advisor in contract negotiations. BriseBois also participated in the reform of the Constitution and By-Laws of the Quebec Major Junior Hockey League.

BriseBois is a graduate of the University of Montreal Faculty of Law and earned a master's degree in business administration from the John Molson School of Business at Concordia University. He is a member of the Quebec Bar, the American Bar Association, and the Sports Lawyers Association

Prior to joining the Lightning, Mishkin spent eight seasons as the television and radio voice of the AHL's Hershey Bears. While with the Bears, Mishkin maintained a variety of roles outside of broadcasting including media and public relations as well as hockey operations. During his time with the Hershey organization, Mishkin served for three years as the play-by-play broadcaster and media relations director for the company's soccer team in the A-League, the Hershey Wildcats. A 1991 Yale graduate, Mishkin broke into professional hockey as play-by-play broadcaster for the Johnstown Chiefs of the ECHL. While a student at Yale, he also worked in the University's Sports Information Office for the 1990-91 academic school year and served as Sports Director for the school radio station. WYBC. from 1989-91.

PHIL ESPOSITO RADIO COLOR COMMENTATOR

Hockey Hall-of-Famer and Tampa Bay Lightning founder **PHIL ESPOSITO** returns for his 24th year as radio analyst for Lightning home games. A Lightning founder and the team's general manager during its first seven seasons, Esposito joined the Lightning radio team during the 1999-00 season. Prior to joining the Lightning broadcast team, he worked as a television analyst for FOX television in Los Angeles and UPN 38 WSBK-TV in Boston. Esposito has also served as a broadcast analyst for the New York Rangers on MSG Network and was the Rangers' Vice President & General Manager from 1986-88. A former professional hockey legend, Esposito's spectacular 18-year playing career was highlighted by two Stanley Cup Championships with the Boston Bruins in 1970 and 1972. Originally a member of the Chicago Blackhawks (1963-67), Esposito was the central figure in one of hockey's biggest trades when he was sent to Boston in 1967. During the next eight seasons, he virtually rewrote the NHL record books. He became the

first player in NHL history to record 100 points in a season (1969-70). Two seasons later, Esposito set single season standards of 76 goals and 152 points, which stood until Wayne Gretzky eclipsed those marks a decade later. His 717 career goals place him seventh on the all-time list, and his 1,590 points are 10th all-time.
