KINGS NOTES

- Forward **Andrei Kuzmenko** (2-0=2) celebrated his 30th birthday today by scoring his 12th and 13th goals of the season, scoring both of them on the power play. The winger becomes the 27th different skater in franchise history to score a goal on their birthday, and the first to do so since **Alex Laferriere** on Oct. 28, 2023 versus Vegas.
- With his second strike of the night, Kuzmenko joins **Luc Robitaille** (2-2=4 on Feb. 7, 1992 vs. BOS), **Dave Taylor** (2-2=4 on Dec. 4, 1979 at ATL), **Wayne Gretzky** (3-2=5 on Jan. 26, 1991 vs. VAN) and **Butch Goring** (3-0=3 on Oct. 22, 1975 at CHI), as the only skaters in franchise history to record a multi-goal effort on his birthday.
- The pair of power play goals marked Kuzmenko's team-leading seventh and eighth such markers of the season. The native of Yakutsk, Russia, now has recorded 13 total points (8-5=13) on the man-advantage this season, breaking a tie with **Corey Perry** (4-7=11) for sole possession of the second-most power play points on the team this season, trailing only **Kevin Fiala** (4-13=17).
- Forward Kevin Fiala (0-2=2) posted his seventh multi-point effort of the campaign with his 21st and 22nd assists of the season. With the helpers, Fiala (4-17=22) leapfrogs Edmonton's **Zach Hyman** (11-10=21) for fourth-most points recorded against the Kraken since their inaugural season in 2021-22.
- Fiala's 39th and 40th points (18-22=40) of the campaign were both minted on the man-advantage in tonight's divisional matchup. This marks his second contest of the season with multiple power play points (PPP), following his two-point afternoon (1-1=2) against the Tampa Bay Lightning on Jan. 1, 2026. The 29-year-old's 10 such efforts since joining the Kings ahead of the 2022-23 season are the most by any team skater over that span.
- Forward **Adrian Kempe** (0-1=1) recorded his 26th assist of the season, extending his point streak to an eighth game, (5-5=10), dating back to Jan. 17 at Anaheim. Kempe's current run is the second point streak of eighth or more games in his career. The 29-year-old skates into tomorrow's visit to Vegas one game shy of tying the career best nine-game point streak (6-7=13) that he set from Oct. 24 - Nov. 11, 2023.
- Defenseman **Brandt Clarke** (0-1=1) collected his 21st assist and 27th point (6-21=27) of the season, extending his lead amongst Kings blueliners in both categories. Clarke (1-7=8) ties **Quinton Byfield** (3-5=8) for the fifth most power play points among all Kings skaters through the first 55 games of the 2025-26 season.
- Defenseman **Drew Doughty** played his 1,254th career game tonight, tying him with **Kevin Lowe** (1,254 GP) for the 30th-most games played by a defenseman in NHL history. Among active blueliners, only **Brent Burns** (1,551 GP) has played more regular season NHL contests than Doughty has.
