TOP NOTES

Mattias Samuelsson's goal marked his fourth in 18 games this season. As a result, he tied his previous single-season career high in goals, which he set in 62 games in 2024-25. He is tied for sixth among all NHL defensemen in goals this season. **Samuelsson's** tally came unassisted, which marked the first unassisted goal of his career.

Samuelsson's two-point performance (1+1) in tonight's game marked the sixth multi-point game of his career and the third time he has registered at least one goal and one assist in a single game.

Tage Thompson's goal gave him an eight-game point streak against the Flames and he has posted nine points (7+2) in that span. The goal made him the first Sabres skater to record a point streak of eight or more games against the Flames since Dale Hawerchuk from Nov. 17, 1990 to Dec. 10, 1993 (eight games; 0+9).

Gilbert Perreault (twice) is the only other Sabres skater who has registered a point streak of eight or more games against Calgary.

Rasmus Dahlin assisted on **Thompson's** goal and has registered at least one assist in four straight home games against Calgary. With his assist, **Dahlin** joined Phil Housley (six games; Feb. 18, 1983 to Nov. 10, 1985; 2+7) as the only Sabres defensemen to record at least one assist in four or more consecutive home contests against the Flames.
