To be in line with the NHL Green initiative, the team prints an extremely limited number of materials for all home games, with all game statistics available online only with the exception of coaches and TV/audio rightsholders. Team line sheets will be printed and delivered to those present in the press box prior to puck drop.

CREDENTIALS

Credentials must be worn and visible inside Honda Center at all times. Game credentials are reserved by the club for members of team and league rightsholders, affiliated television and radio networks, and members of the Professional Hockey Writers Association (PHWA). Credential or other access-related requests will be reviewed on a case-by-case basis. All credential holders are required to RSVP for a seat to Steve Brown no later than 24 hours before puck drop to ensure a seat in the press box. Seating is based on a first-come, first-served basis.

Media Will Call is located at the southwest corner of Honda Center and is open three hours prior to the start of a game. The media entrance is located at the Southwest Suite Concierge.

Season Credentials are issued to print, radio and television media members who cover the Ducks on a regular basis as part of their work requirements. Applications can be submitted at AnaheimDucks.com/credentials.

Single-Game Credentials must be requested via email to Steve Brown or at AnaheimDucks.com/credentials at least 24 hours in advance of game time. All credentials will be granted on a first-come, first-served basis.
