RANGERS NOTES

- ♦ **MODERN ERA** – The Rangers held their eighth and final Centennial theme night as they celebrated a new era of Rangers hockey, highlighted by 15 postseason appearances and the creation of new team traditions.
- ♦ **EARNING POINTS** – The Rangers have earned points in four-straight games since returning to the ice after the Olympic break (2-0-2).
- ♦ **Igor Shesterkin** has helped the Rangers earn a point in all four games since he returned to the ice on Feb. 26, and in 13 of his last 16 decisions (9-3-4). His 20 games allowing two or fewer goals this season are tied for the seventh most among all NHL goaltenders.
- ♦ **Mika Zibanejad** recorded his third three-point game of the season and his 10th career three-point period, becoming one of seven players in franchise history to have recorded three or more points in a period. He surpassed Walt Tkaczuk (71) for the eighth most multi-point periods with the Rangers (72).

- ♦ **Vladislav Gavrikov** tied up the game with his 11th goal of the season on the power play, tying Nick Holden (2016-17) for the sixth most goals by a defenseman in their first season with the Rangers. He is one of three defensemen with the Rangers to have scored 11 or more goals in a single campaign in the past 10 years.

He has recorded at least one point in back-to-back games and has tallied eight points through his last six games (4G-4A). The Rangers' record this season when Lafreniere has scored a goal is 8-2-1.
- ♦ **Will Cuyll** notched his second multi-goal game of the season and the third of his career. He has recorded at least one point in four of his last six games (3G-2A).
