### KINGS NOTES

- The Kings and Bruins required overtime to settle the score for a seventh consecutive game
- Forward **Trevor Moore** (0-1=1), the Kings' leading goal-scorer from last season, registered his first goal of the campaign. This is Moore's first goal in Boston since March 7, 2022, when he tied the game with 26 seconds left in the third period in an eventual 3-2 overtime victory.
- Per NHL PR, Moore has scored the game's first goal nine times since joining the Kings in 2019-20. Only four active Los Angeles skaters have more in that span: **Adrian Kempe** (24), **Anze Kopitar** (20), **Phillip Danault** (13), **Kevin Fiala** (12).
- Forward **Quinton Byfield** (0-1=1) picked up his second assist of the season, extending his point and assist streak to a second game (0-2=2) to open the season. It is the first point streak of Byfield's career, to begin in the first game of a campaign and makes him the 10th different skater in franchise history to record a season-opening road assist streak before turning 23 years old.
- Forward **Philip Danault** (0-1=1) recorded his second assist in as many games against the Bruins, having fed defenseman **Brandt Clarke's** first career NHL goal in overtime at TD Garden on Feb. 17, 2024.
- The Kings successfully killed off all five Bruins power-play opportunities this game, marking the second consecutive game that the Kings have held opponents scoreless on the man-advantage. It is just the second time in franchise history the Kings have killed held opponents scoreless on the man-advantage while contesting five-or-more power-play opportunities in back to back games to open the season (Jan. 14 2021 vs. MIN, 6/6 & Jan. 16 2021 vs. MIN, 5/5).
- Goaltender **Darcy Kuemper** made 23 saves on 25 of the Bruins' shots on goal.
