- Forward **Anze Kopitar** (0-2=2) picked up his 14th and 15th assists of the season to mark five points (0-5=5) over his last three visits to Colorado, and his ninth and 10th points in his last six games against the Avalanche (0-10=10), both dating back to March 9, 2023.
- The assists marked Kopitar's 1,230th and 1,231st career points (424-807=1,231), passing **Norm Ullman** (490-739=1,229) for the 44th-most points in league history.
- Kopitar's 45 career assists against the Avalanche is the most among all active skaters, and is tied with **Adam Oates** for the 12th-most in League history.
- Per NHL PR, Kopitar also passed **Mats Sundin** (149) for the 11th-most multi-assist games by a player born outside of North America. The only active player with at least 150 multi-assist outings is **Evgeni Malkin** (166).
- With his two assists, Kopitar has now tallied 16 career multi-point games against Colorado, breaking a three-way tie with **Luc Robitaille** (15) and **Marcel Dionne** (15) for the most such games against the Avalanche in franchise history.
