### KINGS NOTES

- Forward **Adrian Kempe** (1-1=2) extended his team lead in goal-scoring by potting his 14th of the campaign.
- Per NHL PR, Kempe's opening tally brought him to the 30-goal mark in 2024. He became the fourth Swedish player this calendar year to reach the mark, behind **William Nylander** (40), **Filip Forsberg** (39) and **Lucas Raymond** (31). Kempe has now scored 30 goals in a calendar year for the third straight time (39 in 2023 & 36 in 2022) and became the first Kings player to accomplish the feat since **Luc Robitaille** (7 from 1987-93).
- Kempe later collected an assist has now registered at least a point in each of his last four games (3-2=5) against the Islanders. The Swedish winger now has 12 multi-point performances on the campaign, the most by any Kings skater and tied for the sixth most by any player in the NHL.
- Forward **Kevin Fiala** (1-0=1) fired home his 10th tally of the season, becoming the third Kings skater after Kempe (14) and **Alex Laferriere** (12) to hit double-digits in the goal column.
- Defenseman **Mikey Anderson** (1-0=1) capped off the Kings' victory with an empty-net tally, his second point (1-1=2) in as many games. The goal is Anderson's fourth of the season and marked the Kings' 13th empty-net goal of the campaign, the most by any team in the League.
- Defenseman **Joel Edmundson** (0-1=1) and forward **Alex Turcotte** (0-1=1) each recorded helpers on Fiala's second period goal. Turcotte picked up his first point against the Islanders in his second appearance against the franchise and now has points (1-1=2) in consecutive road games, dating back to Nov. 29 at Anaheim.
- Captain **Anze Kopitar** (0-1=1) picked up his 24th assist of the season, extending both his point and assist streaks to a fourth game (1-4=5), dating back to Nov. 30 against the Senators.
- Forward **Trevor Moore** (0-1=1) collected an assist on Kempe's tally and now has seven points (3-4=7) in his six contests against the New York Islanders as a member of the Kings, dating back to Jan. 27, 2022.
- Goaltender **Darcy Kuemper** turned aside 19 of the Islanders' 20 shots on goal to secure his second consecutive victory and improve his record to 6-2-3 on the season.
- Per NHL PR, the Kings own the NHL's longest active winning streak (6-0-0 since Nov. 27), the club's first six-game run since 2021-22 (7-0-0; Oct. 30 – Nov. 11, 2021).
