

Bolt for Life Payment Options

As a Bolt for Life, you can enroll in our monthly payment plan or pay in full for your membership.

Payment Plan

The payment plan is an interest-free 9-month payment plan for your first year, with your first payment due at checkout once you select your seats. You are then enrolled in our automatic payment plan that charges the card on file on the 15th of each month (or the next business day).

Pay in Full

To pay in full, you will pay the total balance of your membership at checkout. You will not see another payment due until the Dues Notification period in March. This is the time that we announce your membership dues and pricing for next season. There is no discount for paying in full.

Bolt for Life Dues Notification

The payment plan continues throughout the duration of your membership, without stopping (i.e., Netflix or gym membership that is on an "automatic renewal"). We send your pricing and benefits during the Dues Notification period in February, and you will see your first payment for the following season, due in March.
