## AT A GLANCE

### TIME MACHINE

Defenseman **Drew Doughty** returns to Crypto.com Arena ahead of his 100th career Stanley Cup Playoffs game tomorrow evening. The two-time Stanley Cup champion has made the most postseason appearances in franchise history by a defenseman and is slated to become the 15th active blueliner to play 100 career games in the Stanley Cup Playoffs. With teammate **Anze Kopitar** having just reached the milestone Friday night in Game 3 and Ottawa's **Claude Giroux** set to reach the century mark earlier in the day tomorrow with the Senators' Game 5 against Toronto, Doughty will become the 50th active skater to do so.

### WAR-REN PEACE

Forward **Warren Foegele** returns to Crypto.com Arena after scoring his first goal of the postseason in Game 4 at Rogers Place, while his last appearance in DTLA saw him net a pair of assists (0-2=2) in the Kings' win in Game 2. With three points (1-2=3) so far in the series, Foegele now owns 27 career playoff points (13-14=27) and now sits one back of teammates **Kevin Fiala** (14-14=28) and **Adrian Kempe** (15-13=28), who are tied for 12th most playoff points among skaters selected in the 2014 NHL Draft. The two-assist performance last Wednesday marked the third multi-point effort of Foegele's playoff career (2-1=3; April 15, 2019, vs WSH (w/ CAR), 1-1=2; June 21, 2024, vs FLA (w/ EDM)).

### KING OF KINGS

Captain **Anze Kopitar** has scored seven points (1-6=7) so far this series, the most in an initial four-game postseason span by any skater aged 37 or older in NHL history. Only three other players have come within a point of Kopitar's performance in the Stanley Cup Playoffs at his age or older: **Jaromir Jagr** (1-5=6) in 2012, **Doug Gilmour** (3-3=6) in 2002, and **Jean Beliveau** (2-4=6) in 1971.
