### TEAM NOTES

- The Maple Leafs have posted an 8-9 record in overtime decisions this season (a 1-1 record in shootouts).
- Toronto has posted a 9-12-3 record on the road this season.
- At 6:59 of the second period, a coach's challenge was initiated by Toronto to determine whether there was goaltender interference on Vancouver's goal. Per the NHL's Situation Room, "Video review determined Vancouver's Conor Garland impaired Joseph Woll's ability to play his position in the crease prior to the puck entering the net. According to Rule 69.3, "If an attacking player initiates contact with a goalkeeper, incidental or otherwise, while the goalkeeper is in his goal crease, and a goal is scored, the goal will be disallowed."

**Result: Call on the ice is overturned – No Goal Vancouver**
