OUR TIME AT WORK

Players and their families, Broadcasters, Alumni, Bailey, Ice Crew and team staff made their mark in the community this year, supporting several community initiatives by donating their time, money and support.

Drew Doughty, with help from Anze Kopitar, Austin Wagner and Alex Lafallo, celebrated Christiann's 11th birthday together. It was a special day for the young Kings fan complete with ice skating, pizza, cake and presents.

Austin Wagner has helped to usher in the last two Ball Hockey seasons by attending YMCA kick off clinics. The Collins & Katz Family YMCA served as the site of the 2019-20 celebratory event.

Alex Lafallo, an environmental advocate who has developed a love for the ocean, helped lead a beach clean-up event with Heal the Bay.

Drew Doughty made Jacob's wish to practice with the LA Kings come true. Jacob had the once-in-a-lifetime opportunity to skate with the Kings at the team's practice facility plus join warm-ups before the Kings played the Coyotes at STAPLES Center.

Trevor Lewis read "B is for Bailey" at a local library branch for thirty kids. The new dad used the opportunity to help promote the joy and importance of reading as a child.

OUR TIME AT WORK

Matt Luff and Austin Wagner channeled their inner kid selves when they visited a local school to surprise 65 kids with a new bike of their own.

The Brown, Carter, Doughty, Roy and Grundstrom families threw a baby shower for nearly 40 military couples with a baby on the way.

Forty low-income single mothers had their holidays sponsored by LA Kings players, coaches, broadcasters and team staff complete with a festive outing to a game and presents.

On behalf of the children, youth and families served by St. Anne's, thank you and the entire LA Kings organization and the Kings Care Foundation from the bottom of our hearts for your extraordinary generosity. The young women and their children we serve in our Transitional Housing Program had the time of their lives thanks to your incredible hospitality, and ultimate holiday experience

– **Valenzuela Marez**, Chief Development Officer, St. Anne's

The Kopitar, Toffoli, Forbort, Iafallo and Lewis families lent their support to Covenant House by collecting turkey donations as part of Turkeys for Tickets at a local Gelson's Market.

OUR TIME AT WORK

The entire team visited Children's Hospital Los Angeles to bring smiles to the faces of patients and staff during the annual hospital visit.

The LA Kings Alumni and Broadcasters participated in autograph sessions at each Fan Fest as well as informative "Chalk Talks" for various youth groups.

For the first time in Ice Crew history, 28 people made the 2019-2020 team with equal numbers for men and women. The LA Kings Ice Crew devoted their time in the community by lending their support at 250 events throughout the season. Some of the most impactful appearances included the Long Beach All Cities Beach Day, The Echoes of Hope Poker Tournament & Comedy Night and the National Salute to Veterans Bedside Visitation

LA Kings Alumni and current Radio Analyst Daryl Evans hosted the annual 5K/10K race in Redondo Beach.

Bailey was a busy lion throughout the 2019-2020 season, completing over 485 appearances. Bailey's favorite memory was visiting Children's Hospital Los Angeles to hand out goodies and spend quality time with the patients.

LA Kings staff volunteered 350 hours of service on projects ranging from building gardens, painting schools, cleaning beaches and planting trees.

OUR RESOURCES AT WORK

Through the donation of memorabilia and game tickets, the LA Kings were able to provide another layer of support for our non-profit partners. During the 2019-20 season, the value of those donations was over \$900,000.

Grass roots community initiatives were a valuable resource for individuals in Los Angeles and each program the LA Kings offered worked to address the unique needs of the community.

By championing Green solutions, Open outlooks, Active bodies, Local leaders, and Sharp minds, G.O.A.L.S. equips children in Los Angeles with the practical skills and tools they need to lead healthy lives. LA Kings players and Bailey participated in various G.O.A.L.S. events and programs including Storytime Library Visit, Run & Bike Club, Future Goals, Royal Readers and LA Kings Green.

Through the Salute to Service initiative, the Kings honored servicemen and women as “Heroes of the Game” at STAPLES Center, provided free tickets to games for active and retired members and their families and hosted or participated in multiple community events. On one special occasion, Bailey and the Ice Crew hosted a watch party at Twentynine Palms for 500 members of the US military.

Thank you so much for the event at the 29 Palms Marine Corps base. Despite the overtime loss, the Marines that braved the wind and cold had an awesome time. Pro Sports engagement with the military is today’s version of the USO shows. Thank you for commitment to community outreach and stretching that way past LA County!

Hockey is for Everyone uses the game of hockey to drive positive social change and foster more inclusive communities. The lessons of discipline, sportsmanship and hard work that are fundamental to the sport, are accessible to players and families regardless of race, color, religion, national origin, gender identity or expression, disability, sexual orientation and socio-economic status. Existing programs include: YMCA Ball Hockey League, Sled Hockey and the Lions, a girls hockey team.

This year’s Hockey Fights Cancer game presented by Amgen’s Breakaway from Cancer focused on raising funds and awareness for charities that serve patients with cancer. A Make-A-Wish child fighting Leukemia, Jacob Brown, performed the ceremonial puck drop while two siblings fighting Medulloblastomas, Noah and Kalea Avery, were honored as Heroes of the Game.

We’ve received notes from families that it was an experience they will never forget. One of the patients who attended never smiles but his parents were so happy to see their son finally smiling when he was at the Kings game. He was ear to ear they said. Truly... thank you for coordinating this with us and for helping us create a bright spot in these tough journeys.

– **Matt Semler**, Corporate Partnerships Manager, Children’s Hospital Los Angeles

The event raised more than \$150,000 for Kings Care Foundation which will be used to benefit the Los Angeles local communities.

OUR RESPONSE TO COVID-19

On March 12 our season was suspended due to the COVID-19 outbreak. During this period of need and uncertainty, the LA Kings partnered with and supported local organizations that helped to ease the burdens that afflicted Los Angelenos.

FOOD DELIVERIES TO ESSENTIAL WORKERS

To celebrate #GivingTuesdayNow, an emergency response to the unprecedented need caused by COVID-19, players and fans were encouraged to make a monetary donation to help the LA Kings deliver meals and snacks for the essential workers of our partners including staff at Children's Hospital Los Angeles, Keck Medicine of USC, Southern California Gas Company, Gelson's Markets and Los Angeles Metropolitan Transportation Authority.

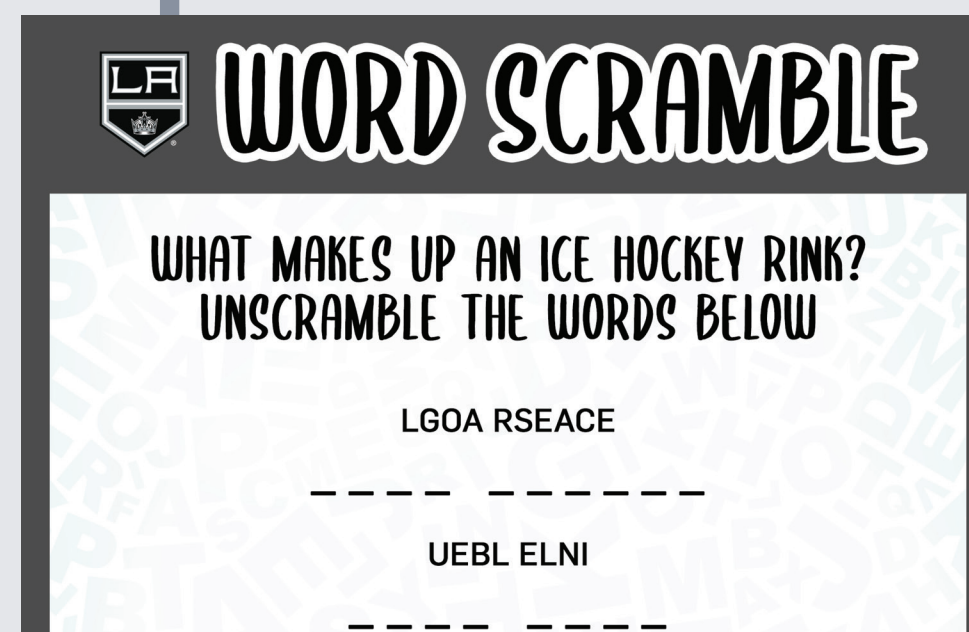

TEAMS FOR LA

L.A. sports teams joined forces to launch a special online sale to help support the city of Los Angeles during the COVID-19 Pandemic. Along with the Dodgers, Lakers and Clippers, the Kings helped raise \$250,000 which was donated to the Mayor's Fund to support essential local relief services. In addition, thirteen local organizations serving homeless individuals benefited from new clothing donations.

LEARN AT HOME WITH THE LA KINGS

As schools closed for in-person learning, the LA Kings launched Learn at Home, an online educational resource which featured worksheets, challenges and content for children.

BLOOD AND PLASMA DONATIONS

The LA Kings spotlighted the lifesaving work of Children's Hospital Los Angeles by encouraging blood and plasma donations at the Hospital. Each person that donated will receive tickets to a future LA Kings game.

LA KINGS MASKS

The LA Kings exclusively produced Bailey, Doughty and team branded face masks that were sold online benefitting the YMCA of Metropolitan Los Angeles and CHLA. All masks, which helped to promote health and safety in the face of COVID-19, were custom printed, cut, and sewn in Southern California.
