AT A GLANCE

KEEPERS OF THE CASTLE

The Kings approach the 50-game point of the 2024-25 season limiting their opponents to a combined 124 goals for a goals-against per game (GA/GP) of 2.53. This marks the fifth lowest total among all NHL clubs and includes a League-low 29 goals against in the first period. The team's success keeping pucks out of the net corresponds to keeping shots away from the net; the Kings have maintained a shots-against per game (SA/GP) average of 25.4, trailing only tonight's opponent, the Carolina Hurricanes, for the League-lead in the category.

SWISS-SATIONAL

Forward **Kevin Fiala** gears up for tonight's contest in the Tar Heel State with four points (1-3=4) in his last five games played, beginning with his assist on the game-winning tally against Florida on Jan. 22 in Los Angeles. The winger started the team's five-game road-trip by posting the 116th multi-point performance of his career after recording a pair of assists last Saturday in Columbus. Since being acquired by the Kings on June 29, 2022, Fiala has posted 49 multi-point performances in black-and-silver, the third most on the team in that span behind **Anze Kopitar** (53) and **Adrian Kempe** (52). Of those 49 games where the winger has registered a pair of points or more, 26 have featured at least two assists – the most among all Kings skaters since his first season with the organization in 2022-23.
