## **RANGERS NOTES**

**RETURN FROM BREAK WIN** - New York won their first game after All-Star Break, improving to 3-1-1 over its last five games. The Rangers improved to 31-16-3 through 50 games. In the past 30 years, the club has earned as many wins just four times: 1993-94 (33), 2011-12 (33), 2021-22 (32) and 2016-17 (31).

**NO QUIT** - Tonight's win marked the Rangers' 15th comeback win of the season, tied for third in the NHL, and eighth win when trailing in the third period, tied for the second most.

**BLACK HISTORY NIGHT** - Tonight, the Rangers celebrated Black History Night with a special national anthem, color guard and the Community Captain award, a \$10,000 donation recognizing local heroes making a difference in our community, among several additional initiatives.

- **Alexis Lafreniere** tabbed his third career overtime goal and 13th goal of the season. His three overtime winners are the most among Blueshirts since 2020-21.

- **Artemi Panarin** scored his 31st goal of the season in his 50th game. Only two Rangers players have scored as many through 50 games in the past 25 years: Chris Kreider (33 in 2021-22) and Rick Nash (33 in 2014-15). Panarin has points in four of his last five games (4G-2A) and seven of his last nine games (5G-4A).

- **Jonathan Quick** improved to 11-4-2 on the season and made his 757th career start tonight, tying Gilles Meloche for the 20th most in NHL history.

- **Peter Laviolette** surpassed Al Arbour for the seventh most wins in NHL history by a head coach with 783.

- **K'Andre Miller** and **Braden Schneider** earned assists, giving the Rangers 123 points from defensemen this season - the fourth most in the NHL.
