THINGS YOU SHOULD KNOW

Rasmus Dahlin has recorded nine points (2+7) in his last six games, including at least one point in four straight contests and multiple points in three straight games.

A multi-point performance tonight would make **Dahlin** the first Sabres defenseman since Andrej Sekera from Feb. 26 to March 6, 2011 (five games) to record a multi-point streak of four or more games.

In tonight's game, **Dahlin** will play his 538th career game to surpass Jerry Korab and move into the top 10 on Buffalo's all-time games played list among defensemen.

Josh Doan has notched 11 points (5+6) in his last 11 games, including at least one point in three straight games (2+2).

His current stretch represents the longest span of games in his career in which he registered at least a point per game.

A point in tonight's game would give **Doan** the longest point streak of his career (4 games).

Tage Thompson has recorded seven points (3+4) in his last six games, including at least one goal in three consecutive contests.

A goal tonight would mark **Thompson's** fifth goal streak of four or more games in his career, and his second of 2025-26 (6 games; Nov. 13 to 23; 6+3).

Ryan McLeod has notched one assist in back-to-back games and he would match the longest assist streak of his career (two times) with an assist tonight.

Alex Tuch has posted one goal in each of his last two games.

Alex Lyon has made 55 saves on 60 shots in his last three appearances (.917).
