KINGS NOTES

- Forward **Anze Kopitar** (1-0=1) scored his third goal of the season tonight, his 10th goal and 21st career point (10-11=21) in 29 games played against the Capitals.
- All three of the captain's goals have come on the man-advantage, the most power play goals by any Kings skater this season. Kopitar now has 127 power play goals in his two-decade career, tying Boston's **David Pastrnak** for the eighth highest total by an active skater League-wide.
- The goal also counts as the center's 451st (127-324=451) power play point (PPP), placing Kopitar within 10 PPP of tying **Marcel Dionne** (172-289=461) for the franchise record in the category.
- Forward **Corey Perry** (0-1=1) notched his fifth assist of the campaign on Kopitar's power play goal. Perry has 21 career points (10-11=21) in 27 games played against the Washington Capitals.
- Winger **Kevin Fiala** (0-1=1) registered his sixth helper of the season. By picking up his team-leading fifth power play assist and seventh power play point (2-5=7) of the year, Fiala extends his point streak against the Capitals (4-2=6) to a fourth game, dating back to Jan. 7, 2024.
- The Swiss forward has notched a total of 15 points (6-9=15) in 17 career games against Washington.
