THINGS YOU SHOULD KNOW

Tonight's game marks the 320th contest between the Sabres and the Bruins, the most Buffalo has played against any opponent in franchise history.

Buffalo has earned three straight wins against Boston and the Sabres have outscored the Bruins 16-7 in those games.

A win in tonight's game would mark the first time the Sabres have earned four or more consecutive wins against the Bruins since they won four in a row against Boston from Dec. 15, 2010 to March 10, 2011.

Buffalo has earned four or more consecutive wins against Boston eight times in franchise history.

Bowen Byram has tallied at least one assist in three straight games against the Bruins and he has notched four assists in that span.

An assist tonight would make **Byram** the first Sabres defenseman to record an assist streak of four or more games against the Bruins since Doug Bodger from Dec. 8, 1988 to Jan. 22, 1989 (1+6).

Alex Tuch has recorded seven points (4+3) in five road contests against the Bruins as a member of the Sabres, including a goal in overtime in Buffalo's last game in Boston on March 17, 2025.

Jiri Kulich has collected one assist in back-to-back games against the Bruins.

Kulich (21 years, 180 days) would become the youngest Sabres skater since Philippe Boucher from Dec. 15, 1992 to Dec. 5, 1993 (20 years, 256 days) to record an assist streak of three or more games against Boston.

In his last three games against Boston, **Rasmus Dahlin** has notched three points (1+2).
