AT A GLANCE

IT’S A BEAUT, CLARKE

Defenseman **Brandt Clarke** (3-9=12) skates into DTLA leading all Kings blueliners in points following his two-assist outing on Black Friday at Honda Center as part of his ninth career multi-point game. He is one of 11 blueliners in LA Kings history to have as many such performances before turning 23 years of age, and one of eight to have six on the road. Clarke’s performance Friday afternoon came four days removed from notching his first power play goal of the season in Monday’s 2-1 victory over Ottawa. Prior to netting his second game-winning goal of the season while on the man-advantage, Clarke had recorded all his points at even strength this year.

EDDY, AIM, FIRE

Defenseman **Joel Edmundson** registered his third goal of the season in the Kings’ Black Friday matinee. His performance in Anaheim was preceded by factoring in on both (0-2=2) of the Kings’ tallies during their win over Ottawa on Monday, bringing his point total on the season to 11 (2-9=11). With both his efforts this week, Edmundson is second in defensive scoring and tied with **Brandt Clarke** (9A) for third-most assists amongst all Kings skaters behind only **Quinton Byfield** (14A) **Adrian Kempe** (13A). Edmundson has three multi-point performances on the 2025-26 campaign, one shy of a career-high four such games set a year ago. Only Byfield (6) and Kempe (5) have recorded more multi-point games in a Kings uniform this season.

OH CAPTAIN, MY CAPTAIN

Captain **Anze Kopitar** is set to skate in his 71st career regular-season game against the Pacific Division rival Vancouver Canucks on Saturday, tied for the second most among active skaters with teammate **Corey Perry** and trialing only **Brent Burns** (83 GP). In those 70 contests, Kopitar has accumulated 17 goals and 61 points (17-44=61), the third-most among active skaters, while his 43 even-strength points pace the group. Kopitar has amassed 1,290 points (444-846=1,290) across 1,474 regular season games played in his career and is set to surpass **Doug Gilmour** (1,474 GP) for sole possession of the 29th-most games played in NHL history when he takes the ice against Vancouver.
