TEAM NOTES

- The Maple Leafs were 1-for-1 on the power play and 1-for-1 on the penalty kill tonight.
- Toronto has posted a 23-13-1 record on home ice this season.
- The Maple Leafs have won three-consecutive games on home ice and have won four of their last five games played.
- At 4:41 of the third period, Philadelphia initiated a coach's challenge to determine whether Toronto's goal was a result of goaltender interference. Per the NHL's Situation Room, "Video review determined that Toronto's Mitch Marner entered the crease and made contact with goaltender Samuel Ersson, which impaired his ability to play his position in the crease prior to Morgan Rielly's goal. The decision was made in accordance with Rule 69.1 which states, in part, "Goals should be disallowed only if: (1) an attacking player, either by his positioning or by contact, impairs the goalkeeper's ability to move freely within his crease or defend his goal." **Result: Call on the ice is overturned – No goal Toronto**
