AT A GLANCE

KUZMENKO’S FOURTH RODEO

Forward **Andrei Kuzmenko** takes the ice in Texas for the fourth time in his career having found the scoresheet in each of his three prior trips to the Lone Star State (1-4=5), dating back to a three-point performance (1-2=3) on Feb. 27, 2023, that saw the winger net the overtime game-winner with Vancouver. That goal marked the second of Kuzmenko’s three career overtime tallies, all of which have come on the road. In total, Kuzmenko has six points (2-4=6) in five career matchups with the Dallas Stars.

SWEDISH ARCHER’S SNIPER SCHOOL

Forward **Adrian Kempe** skates into Dallas fresh off scoring the overtime game-winner in St. Louis on Tuesday night (1-1=2) as part of his team-leading fourth multi-point outing of the season. It also marked Kempe’s third consecutive road game with a goal and assist (3-3=6). It is the first time a Kings skater has tallied at least one goal and one assist in three straight road games since **Derek Armstrong** (4-3=7) in the 2006-07 campaign, and the 21st different occasion overall and 17th within a single season. Should he contribute another such two-point night in Dallas, Kempe will be the first skater in Kings history to check both columns in four consecutive road games.

AGENT P

Forward **Corey Perry** skates into Dallas two days after making his LA Kings debut Tuesday night in St. Louis, logging 14:44 minutes of time-on-ice (TOI) over 18 shifts. Tuesday’s contest marked Perry’s 1,393rd career regular-season game, the 46th-most in NHL history and fourth-most among active skaters, behind **Brent Burns** (1,504 GP), **Alex Ovechkin** (1,498 GP) and teammate **Anze Kopitar** (1,458 GP). Perry returns to Texas—where he posted 30 points (10-20=30) across 84 total regular season and post-season games for the Stars—with 50 points (21-29=50) in 72 career games against Dallas. The 40-year-old forward trails only **Mark Scheifele** (22-30=52), **Anze Kopitar** (22-39=61), and **Patrick Kane** (32-45=77) for the most points against the Stars among active skaters.
