

FOR OUR FUTURE

The Blue Jackets have brought hockey into the classroom through programs focused on reading, STEM, academic achievement and physical activity.

81,000+
Students received free education resources.

FOR THE NEXT GENERATION

Our commitment to the development of youth hockey and reducing barriers to our sport runs deep because we believe everyone should have a chance to play.

13,800+
Children taught the fundamentals of hockey.

\$2,000,000+
Collective Annual Community Investment.

FOR THE 5TH LINE

Blue Jackets players, staff and season ticket holders dedicate their time to assist those in need within our community.

4,700

Volunteer hours by CBJ players, their significant others and staff.

1,000+

Community organizations supported through in-kind donations.

\$14,000,000+
in Grants Awarded Since 2000.

FOR EACH OTHER

Kids fighting cancer are our heroes and we support them by offering unique experiences and program funding. Some call it therapy through distraction, but most kids call it fun.

11,000+

Pediatric cancer patients and family members received care and services.
