

PPS ALL-STARS PROGRAM TICKETING TERMS & CONDITIONS

As part of the 2023-2024 PPS All-Stars Program (the "Program"), the Pittsburgh Penguins pledge to provide students from outlined Pittsburgh Public Schools the opportunity to attend a 2023 Pittsburgh Penguins preseason home game at PPG Paints Arena.

Please keep the following in mind when redeeming tickets:

- The Program is only available for students of a participating Pittsburgh Public School as outlined to attend a 2023 Pittsburgh Penguins preseason home game. If a student is interested in attending a game, such individual or the individual's guardian will be provided with a unique, one-time-use ticket link discount code. One attendee per discount code must be a student at one of the select Pittsburgh Public Schools. Such attendee shall have the ability to invite one other individual to accompany them to the game.
- Each discount code is valid for two (2) tickets to one (1) select 2023 Pittsburgh Penguins preseason home game to be determined at the sole discretion of the Pittsburgh Penguins. There is no guarantee as to which game the discount code will be applicable towards and all game times and dates are subject to change. In addition, the attendees will receive a food voucher as further detailed below.
- Tickets must be redeemed by visiting <https://fevogm.com/group/PenguinsPPSAllStars2023>.
- The unique, one-time-use discount code will expire on October 3, 2023. The Pittsburgh Penguins reserve the right, at their sole discretion, to extend the timeline in which the code is in use.
- Tickets distributed through this Program cannot be sold, exchanged, combined with any other offer, or transferred for any purpose and are made available on a first-come, first served basis.
- Tickets must be redeemed for the game in which said discount code is issued and the discount codes have no cash value. The Pittsburgh Penguins are not responsible for lost or stolen discount codes and/or tickets and discount codes and tickets may not be copied or duplicated.
- The Pittsburgh Penguins are unable to accommodate requests for specific games beyond the games offered as part of the Program. If an individual requires wheelchair or limited mobility seating, please contact the Pittsburgh Penguins Customer Service Department at (412) 642-1842. In addition, tickets will be preassigned and based upon select availability. For those individuals receiving tickets, requests for seat changes cannot be accommodated and there is no guarantee you will be seated near other attendees from the Program.
- Please be aware that the game experience includes the presence of loud music, crowd noise and flashing lights. Sensory kits are available for check-out at Guest Services located behind Section 104. In addition, attendees must be on alert at all times as pucks may leave the ice and enter the stands at any time.
- Parking is not included as part of the Program. Paid parking is available in lots surrounding the arena and prices vary depending on lot location.
- Failure to comply with these terms & conditions may result in loss of eligibility for future Program ticketing opportunities.
