

PENGUINS ALUMNI QUESTIONNAIRE

TROY LONEY

WHAT IS YOUR MOST MEMORABLE MOMENT AS A MEMBER OF THE PITTSBURGH PENGUINS?

Winning the Penguins' first ever Stanley Cup and the countdown on the bench in Minnesota as the game clock counted down. Crazy excitement and anticipation!

WHAT DID YOU LIKE MOST ABOUT LIVING IN PITTSBURGH?

The winning tradition that the sports teams have and the associated expectations of the fans. Work hard and get it done!

FAVORITE PRE-GAME MEAL?

Ha, there were no options on the road – salad, chicken, fish, green beans, pasta, repeat. However, the night before a game I'd choose gnocchi with Bolognese sauce if it was on the menu. The Copper Penney Restaurant in the Historic District in Philadelphia had the best.

WHAT CITY DID YOU LIKE TO VISIT MOST FOR AN AWAY GAME?

You couldn't beat Los Angeles in the winter...especially when they were the only team with warm winters early in my career.

WHERE DO YOU LIVE NOW?

Pittsburgh, PA.

WHAT DID YOU DO AFTER RETIRING FROM THE NHL?

I work in new business development in the healthcare field. I'm currently the Executive Vice President of New Business Development for RxSense.

WHAT DO YOU DO FOR FUN?

Playing with grandkids, traveling, golfing, and walking the dogs.

WHAT IS AT THE TOP OF YOUR BUCKET LIST?

I'd like to live in a town in Europe for a few months and use it as a base to make short trips to other countries. I enjoy travelling with my wife Aafke, and enjoying other geographies and cultures.
